Twelfth Night Slipstream Initiative, 2015-12-11 Just in time for the winter holidays Slipstream Theatre Initiative kicks off its second season with the festive *Twelfth Night* by William Shakespeare In the true spirit of The Epiphany on which the twelfth night holiday and play were based this production serves up joy and awakenings through a ring of fire Slipstream sets the action in a run down traveling sideshow where the dried out performers have outlived their novelty Until two mysterious outsiders from who knows where join the tired act and give it new life *Doctor Who - Twelfth Night* Andrew

O'Day, 2018-11-29 Peter Capaldi's Doctor Who unpredictable embattled mercurial has raised many fresh issues for followers of the Time Lord In this book the first to address the Capaldi era in depth international experts on the show explore Capaldi's portrayal of the Doctor and Steven Moffat's role as show writer and executive producer They evaluate the effect of Capaldi's older age on the series pace and themes his Scottishness and representations of Scotland in Doctor Who's history and the roles of the Doctor's female companions particularly Clara Oswald as played by Jenna Coleman The politics of war are addressed as is the development of the alien fighting military organisation UNIT in the show as well as controversial portrayals of the afterlife and of immortality There's discussion of promotional discourses the imagining of the Twelfth Doctor in fan fiction and fan art fan responses to the re-gendering of the Master as female and of Christmas television and the uncanny For fans scholars and students alike this book is a fitting tribute to and assessment of Peter Capaldi's Doctor Who **Shakespeare, Clearly: Twelfth Night** Jon Jory, 2018-01-01 This playful comedy centers on the twins Viola and Sebastian who are separated in a shipwreck and the courtship mistaken identities and hijinks that follow This

straightforward adaptation mixing contemporary and classical language emphasizes story and character rather than the poetry Master director and acclaimed playwright Jon Jory has reimagined the classic tale to serve as an early introduction for younger audiences and actors that allows easy involvement Inventive yet faithful this adaptation will inspire actors and audiences alike to revisit Shakespeare's original texts Gender neutral casting is encouraged and doubling is possible Simple stage allows for a fluid and forward moving production A one act version is also available Comedy Full length 75 85 minutes 10 30 actors *Twelfth Night* William Shakespeare, 2017-08-17 The third New Cambridge edition of Shakespeare's *Twelfth Night* updated by Penny Gay for the contemporary student reader

Shakespeare and Accentism Adele Lee, 2020-12-28 This collection explores the consequences of accentism an under researched issue that intersects with racism and classism in the Shakespeare industry across languages and cultures past and present It adopts a transmedia and transhistorical approach to a subject that has been dominated by the study of Original Pronunciation Yet the OP project avoids linguistically foreign characters such as Othello because of the additional complications their aberrant speech poses to the reconstruction process It also evades discussion of contemporary global practices and underpinning the enterprise is the search for an aural purity that arguably never existed By contrast this collection attends to foreign speech patterns in both the early modern and post

modern periods including Indian East Asian and South African and explores how accents operate as metasigns reinforcing ethno racial stereotypes and social hierarchies It embraces new methodologies which includes reorienting attention away from the visual and onto the aural dimensions of performance English (2022-23 TGT/PGT/LT Grade/GIC/GDC/DIET/DSSSB/RPSC/KVS/NVS/ETC) YCT Expert Team , 2022 23 TGT PGT LT Grade GIC GDC DIET DSSSB RPSC KVS NVS ETC English Chapter wise Solved Papers **ENGLISH (2019 TGT/PGT/GIC/LT) YCT EXPERT TEAM,** 2019 TGT PGT GIC LT ENGLISH CHAPTER WISE SOLVED PAPERS **Actors and Performers Yearbook 2015** ,2014-11-13 Actors and Performers Yearbook is an established and respected directory that enables actors to find work in stage screen and radio It is the only directory to provide detailed information for each listing and specific advice on how to approach companies and individuals saving hours of further research From agents and casting directors to producing theatres showreel companies and photographers Actors and Performers Yearbook editorially selects only the most relevant and reputable contacts for the actor Formerly known as Actors Yearbook Actors and Performers Yearbook features articles and commentaries providing valuable insight into the profession auditions interviews and securing work alongside a casting calendar and advice on contracts and finance This is an incredibly useful professional tool in an industry where contacts and networking are key to career survival The listings detailed in this edition have been thoroughly updated alongside fresh advice from industry experts Shakespeare and Directing in Practice Kevin Ewert,2018-05-11 When directors approach Shakespeare is the play always the thing or might something else sometimes be the thing How can directing produce fresh contexts for Shakespeare s work Part of the innovative series Shakespeare in Practice this book introduces students to current practices of directing Shakespeare Ewert explores how the conventions and creative tropes of today s theatre make meaning in Shakespeare production now The In Theory section starts with an analysis of theatre production and directing more generally before looking at the specific Shakespeare context The In Practice section offers a wonderful range of production examples that showcase the wide breadth of approaches to directing Shakespeare today from the conventional to the most experimental Providing a useful general overview of directing Shakespeare on stage today this is an ideal text for undergraduate and postgraduate students studying Shakespeare in Performance in Literature Drama Theatre and Performance Studies departments This book will also inspire students studying directing as part of a theatre programme and scholars performers and lovers of Shakespeare everywhere **Shakespeare and (Eco-)Performance History** Elizabeth Schafer,2024-06-12 Seismic shifts in the theatrical meanings of The Merry Wives of Windsor have taken place across the centuries as Shakespeare s frequently performed play has relocated to Windsor across the world journeying along the production adaptation appropriation continuum This eco performance history of Shakespeare s The Merry Wives of Windsor not only offers the first in depth analysis of the play in production with a particular focus on the representation of merry women but also utilises the comedy s forest aware dramaturgy to explore Mistress Page s concept of being frugal in my mirth

in relation to sustainable theatre practices Herne's Oak the fictitious tree in Windsor Forest where everyone meets in the final scene of the play is utilised to enable a maverick but ecologically based reframing of the productions of *Merry Wives* analysed here This study engages with gender physical comedy and cultural relocations of Windsor across the world to offer new insight into *Merry Wives* and its theatricality

The Environment on Stage Julie Hudson, 2019-08-08 The Environment on Stage Scenery or Shapeshifter investigates a pertinent voice of theatrical performance within the production and reception of ecotheatre Theatre ecologies unavoidably enmeshed in the environment describe the system of sometimes perverse feedback loops running through theatrical events productions performances and installations This volume applies an ecoaware spectatorial lens to explore live theatre as a living ecosystem in a literal sense The vibrant chemistry between production and reception and the spiralling ideas and emotions this generates in some conditions are unavoidably driven by flows of matter and energy thus by the natural environment even when human perspectives seem to dominate The Environment on Stage is an intentionally eclectic mix of observation close reading and qualitative research undertaken with the aim of exploring ecocritical ideas embedded in ecotheatre from a range of perspectives Individual chapters identify productions performances and installations in which the environment is palpably present on stage as it is in natural disasters such as floods storms famine conflict and climate change These themes and others are explored in the context of site specificity subversive spectators frugal modes of narrative the shifting stuff of theatre productions and imaginative substitutions Ecotheatre is nothing less than vibrant matter that lets the environment speak for itself
