Subjects. Holy Scriptures James Darling (Bookseller in London, 1797-1862.), 1859 *A Catholic Commentary on Holy Scripture* Bernard Orchard, 1953 *Cyclopaedia Bibliographica* James Darling, 1859 **Acts-Revelation** William Jenks, 1859 The holy Bible, authorized version, with explanatory notes by T. Scott Thomas Scott, 1844 The United Presbyterian, 1901 **"The" Holy Bible, Containing the Old and New Testaments, According to the Authorised Version**, 1845 **Predestined to Believe** Adam Murrell, 2009-08-01 If the Bible teaches that the Lord is sovereign over all and that mankind is naturally hostile towards God then it stands to reason that we would never choose the Lord apart from the Holy Spirit working within us to change our

hearts Proceeding from this logical starting point of God's sovereignty and man's depravity it necessarily follows that God must save His people from their sins those that are otherwise helpless and in a desperate state No theological system like Reformed theology allows one to remain consistent when carrying out one's beliefs to the ultimate conclusions as the doctrines of God's sovereignty and grace do Murrell examines common arguments against Calvinism and demonstrates how they are oftentimes the result of misunderstandings faulty reasoning or poor scriptural exegesis God's sovereignty is not so much a barrier to Calvinism as it is a powerful support for it *Systematic Theology (Vol. 1-3)* Augustus Hopkins Strong, 2023-11-15 In *Systematic Theology* Augustus Hopkins Strong presents a comprehensive examination of Christian doctrine integrating scripture historical theology and philosophical thought within a robust systematic framework Spanning three volumes this work is characterized by Strong's rigorous analytical style making complex theological concepts accessible to both scholars and lay readers The context of Strong's writing influenced by the tumultuous intellectual landscape of the late 19th century communicates his endeavor to articulate a coherent theological position that resonates with contemporary challenges while remaining faithful to biblical orthodoxy Strong an influential American Baptist theologian and educator served as the president of Rochester Theological Seminary His deep commitment to both scholarly rigor and pastoral practice is evident throughout *Systematic Theology* Fueled by a desire to reconcile faith with emerging scientific and philosophical ideas of his time Strong meticulously constructs a theology that not only addresses the needs of his contemporaries but also lays a foundation for future discourse Readers seeking a thorough and well reasoned exploration of Christian theology will find *Systematic Theology* an indispensable resource Strong's work not only invites reflection on theological concepts but also challenges readers to engage critically with their faith in an increasingly complex world *The Holy Bible ...
