Twenty Things Adopted Kids Wish Sherrie Eldridge, 2015-10-05 *Twenty Things Adoptive Kids Wish* devotional gives adoptive families encouragement as they seek God to work through the emotions unique to their family. Daily 365 inspiring devotions are filled with scripture and authentic insight into the heart of adopted children. Powerful prayer prompts help you navigate through difficult topics such as rejection, the missing pieces in their lives, and much more. As you pray together through these tough topics, you will become the greatest prayer warrior for your adopted child, and God will knit your hearts together in His love. [30 Days of Hope for Adoptive Parents](#) Jennifer Phillips, 2017-02-06 You finally surrendered. You opened your heart when you said Yes, God. I'll adopt. But now you've discovered that opening your heart to the idea of adoption is the easiest part of the journey. Now comes the reality of the emotional ups and downs that only another adoptive parent can understand. In *30 Days of Hope for Adoptive Parents*, author Jennifer Phillips shares words of encouragement to help adoptive parents navigate the emotional waters of adoption. Regardless of where you are in the process—just beginning or now living with the teenagers you adopted as infants—there are struggles unique to adoptive parenting. Weaving elements of her own journey through adoption, you will find hope as you begin to see God's adoptive heart toward you. *Faith & Foster Care* Dr. John DeGarmo, 2016-04-04 Filled with personal stories and Scripture, *Faith Foster Care* shows how to practically and specifically live out your faith in foster care ministry. An encouraging resource for novice or experienced advocates and parents, specific issues addressed include advice on marriage and foster care, how to love the foster child and birth family, how to pray for your foster child and birth family, and how to let go when they leave. See how your actions have a far-reaching impact when you live out your faith. [Twenty Things Adopted Kids Wish Their Adoptive Parents Knew](#) Sherrie Eldridge, 2004 **20 Things Adoptive Parents Need to Succeed** Sherrie Eldridge, 2009-10-27 Do I have what it takes to be a successful adoptive parent? Does my child consider me a successful parent? Will I ever hear my rebellious teen say I love you? What tools do I need to succeed? In her groundbreaking first book, *Twenty Things Adopted Kids Wish Their Adoptive Parents Knew*, Sherrie Eldridge gave voice to the very real concerns of adopted children whose unique perspectives offered unprecedented insight. In this all-new companion volume, Eldridge goes beyond those insights and shifts her focus to parents, offering them much-needed encouragement and hope. Speaking from her own experience as an adoptee and an expert in the field of adoption, Eldridge shares proven strategies and the moving narratives of nearly one hundred adoptive families, helping parents gain a deeper understanding of what is normal both for their children and themselves. By first strengthening yourself as a parent, you'll be able to truly listen to your child and to connect with him on every level by opening the channels of communication and keeping them open forever. Then you and your child can grow closer through the practical exercises at the end of every chapter. Discover how to be confident that your role in your child's life is vital and irreplaceable. Pass on the legacy of healthy self-care by assessing and regulating your stress, communicate unconditional love to your child, talk candidly

with your child about her adoption and her birth family teach your family how to respond positively to insensitive remarks about adoption connect with other adoptive families and build a support network plus learn to become a warrior parent settle the real parent question cope with emotional triggers what to do when you lose it celebrate the miracle of your family and much more **Encouragement for the Adoption and Parenting Journey** Rachel Garlinghouse, Madeleine
