Millner, 2011-03-26 What makes the Chicken Coup Gang interesting and fun is that it is based upon true stories that actually happened to the author Robert W Millner and his two sisters Nancy and Ginny These three people are portrayed in the book as Eric the eldest Mindy three years younger and Cindy the baby of the family a year younger than Nancy The children have a mother who doesn't have to work and a father who is a band director as well as a professional accordionist The family leaves Long Island every summer to spend the entire summer vacation at a family resort in the Catskill Mountains The children believed the stories about old Rip Van Winkle bowling in the mountains with the Dutch sailors every time there was a thunder storm Two more girls came to Pleasant View Lodge with their mother Mildred and father a saxophone player and violinist named Peter The children would often explore the lodge and found several fun places to play the old barn full of fresh hay the rec room with ping pong tables and pinball machines and the old chicken coup at the edge of the woods It was here they met and formed the Chicken Coup Gang These five children were very creative After all what do you do all summer at a summer resort This book is about those funny and sometimes scary adventures including the Masquerade Ball the whimsical talent show the lady in the closet the moving tea cup free money and much more At the end of the book is a chapter entitled Personal Growth When the author was a boy and watched t v he especially enjoyed a story with a meaningful ending The same holds true for this book The Personal Growth page is designed to ask you roughly five thought questions See what answers you would come up with Compare them with the answers of your brother sister or best friend Also included is a page to help you with words you may not be familiar with It's titled Words and Their Meaning What words don't you know This is the first in a series of books about the exciting adventures of Eric Mindy and Cindy Normal Instructor and Teachers World ,1928 **Prism International** ,1969 Everybody's Magazine ,1920 **Various Persons Named Kevin O'Brien** Alden Nowlan, 1973 **English One** Ilonka Schmidt Mackey, 1972 Arithmetic We Need Guy Thomas
