Applebaum, 2025-08-26 NEW YORK TIMES BESTSELLER WITH A NEW PREFACE From the Pulitzer prize winning author an alarming account of how autocracies work together to undermine the democratic world and how we should organize to defeat them A masterful guide to the new age of authoritarianism clear sighted and fearless John Simpson The Guardian Especially timely The Washington Post We think we know what an autocratic state looks like There is an all powerful leader at the top He controls the police The police threaten the people with violence There are evil collaborators and maybe some brave dissidents But in the 21st century there is so much more to it Nowadays autocracies work together from China to

Russia to Iran Corrupt companies and kleptocrats in one country do business with corrupt companies and kleptocrats in another The police in one country can arm and train the police in another diplomats band together to bend international rules and propagandists share resources and themes pounding home the same messages about the weakness of democracy and the evil of America Disapproval and sanctions cannot move the autocrats Even popular opposition movements from Venezuela to Hong Kong to Moscow don't stand a chance The members of Autocracy Inc aren't linked by a unifying ideology like communism that can be defeated but by a common desire for power wealth and impunity In this urgent treatise Anne Applebaum calls for the democracies to fight a new kind of threat A new preface to the paperback edition highlights the increased relevance of these dangerous dynamics in light of the return of Donald Trump to the American presidency

"Churchism in the Church Age" Bill Young,2018-09-26 Since 70 AD our so called Christian forefathers have set us on a course that has only led us further and further away from understanding of the Words from heaven by promoting a false religion known as The Church Age which I refer to as Churchism This Church Age did not begin until about 325 AD and it dominated the Christian thinking for some 1 200 years before the Protestants broke away from it about five hundred years ago It was the Catholic Church who created the Church Age and the world has been drawn into believing in this ghost religion that was never real or legitimate It was not created from reading and understanding the Words from heaven So then faith cometh by hearing and hearing by the word of God Rom 10 17 18 Searching the Words from heaven is our duty to God as well as to ourselves and he will bless who he will bless with understanding But there are many who will not be so blessed Unto you Jesus s disciples it is given to know the mystery of the kingdom of God but unto them that are without all things are done in parables Mark 4 11 The Church Age believers are those who are without and for 1 700 years they have remained without yet the world continues to accept their words as Gospel There are two ways to know God one is to see with an open mind his Creation in the world and universe to be attentive to its magnificent diversity and harmony and the other is through

his Words that he has written for us The early American Indian only had the first way of knowing God until the new settlers came to America and introduced Churchism s church salvation Now both the Indian as well as all the civilized earth have been following a religion which became the worlds greatest deception and hoax Innovation and Competition in Zimbabwean Pentecostalism Ezra Chitando,2021-01-28 Using the concept of a religious market this volume explores how African Traditional Religions and churches within Prophetic Pentecostalism in Zimbabwe seek to attract and retain members and clients Chapters provide extensive coverage of two of the leading churches namely Emmanuel Makandiwa s United Family International Church UFIC and Walter Magaya s Prophetic Healing and Deliverance Ministries PHD Contributors also explore the strategies adopted by Pentecostalism in general while others focus on African Traditional Religions They show that although Prophetic Pentecostalism has gained a significant share of the market in Zimbabwe and in Southern Africa in general it is not without controversy In particular it has been associated with the abuse of women and exploiting members and clients for financial gain Innovation and Competition in Zimbabwean Pentecostalism is an important contribution to understanding the marketization of religion **Protect the Harvest; Defend the Harvester** Brill Pongo,2016-09-16 Protect the Harvest Defend the Harvester talks about the conversion of a journalist who was very much against the rise of the modern day church particularly the prophetic movement and the so called prosperity gospel preachers In his attempt to discredit the preachers the journalist has a heavenly encounter which transforms his views and alters his spiritual course At a later stage while the journalist is travelling to DR Congo from Zambia God shows him a vision and speaks to him about the need to Protect the Harvest protect the granary and defend the harvester s An interesting encounter and valuable reading as he outlines how the Media in today s world is conspiring to discredit the church and soil the characters of the servants of God He talks of how the church is under attack from the enemy within and without he likens the gossip inside church to weevils A fascinating read A powerful and exhilarating testimony of an amazing encounter with God Pastor Rikki Doolan Superintendent Osborn Institute of Theology www.osbourninstitute.com An amazing testimony accompanied by very powerful teaching The world needs this at this very moment Apostle Max Matonhodze www.planetministries.org.uk A captivating testimony that carries you through a journey and teaches you the deep things about visions Brilliant Pongo has demonstrated an amazing way of teaching and testifying Indeed this book is testament to that It is a great read The Financial Gazette www.fingaz.co.zw
