UFOs & Outer Space Mysteries James E. Oberg, 1982 Shockingly Close to the Truth , *The UFO Chronicles* John Michael Greer, 2020-10-31 Beyond the familiar opposition between those who believe that UFOs are spacecraft from other planets and those who believe UFOs do not exist at all lies a landscape of stranger and more rewarding topics This new edition of *The UFO Phenomenon* is a discovery of the nature of apparitions the history of secret American aerospace technologies the mythology of progress and the role of popular culture in defining experienced reality *The UFO Phenomenon* John Michael Greer, 2009 Written by an acclaimed occult scholar this book is a through are credible exploration of the UFO phenomenon from Kenneth Arnold s 1947 sighting of the first flying saucers to present day sightings This is why UFOs crash! Ryan Elwood, 2025-01-22 This book is not intended for beginners on the subject but for those who have been engaged with this topic for a longer time It primarily addresses the question Why have so many UFOs already crashed and comes to a startling conclusion It also hypothesizes that the alien attack began many decades ago and that humanity is already losing this weaponless battle It is assumed that UFOs are indeed technical devices that according to eyewitness accounts can move in space in our atmosphere and even underwater depending on the case The author of this book believes people like Bob Lazar and David Grusch because he had a UFO sighting in 1993 that cannot be conventionally explained Ryan Elwood also presents many relevant UFO sightings and above all UFO crashes that most people are likely unaware of The special feature of this book is that the conclusion of the hypothesis is entirely independent of whether aliens are actually waging war against us Because The enemy could also be someone else Let yourself be surprised The work is adorned with numerous high quality images that appropriately support each topic and create plenty of mood and atmosphere Ich habe den Text sorgf ltig berpr ft Wenn du noch nderungen oder Erg nzungen w nschst lass es mich wissen Viel Erfolg mit dem E Book
