Extraordinary Popular Delusions of Our Times Daniel Martin,2024-10-16 After graduating from college in 1979 Daniel Martin stuck his thumb out on Interstate 94 in St Paul Minnesota hitchhiking east He returned a year later still hitchhiking east While on that journey around the world he read Charles Mackay s Extraordinary Popular Delusions and the Madness of Crowds first published in 1841 Mackay wrote about the tulip bulb mania and the poor sailor who mistook a priceless bulb for an onion and ate it for breakfast He wrote about alchemy which was practiced with all seriousness by great thinkers of the

time like Thomas Aquinas and Roger Bacon He wrote about the Crusaders who raped and pillaged their way to Jerusalem in order to save their souls He wrote about witch burning a popular delusion that at its peak killed more than five hundred women annually in England alone Daniel Martin was captivated by how relevant and relatable this history remained nearly two centuries later Seventeenth century tulip bulb markets bear a striking resemblance to today s cryptocurrency exchanges Magnetizers and hypnotists still ply the back alleys of alternative medicine as they did two hundred years ago but now they are accompanied by homeopaths acupuncturists and energy healers Even in modern times people still die from religious delusions like suicide bombing Jonestown and the Kenya Starvation Cult The idea of a sequel to Mackay s work percolated in the deep recesses of Daniel Martin s brain for more than forty years and is finally now in print The work includes volumes on Health Delusions Financial Delusions and Political Cultural and Religious Delusions Reading Mackay s original work is not a prerequisite and chapters may be read in any order So pick your favorite delusion and enjoy Table of Contents Volume 1 Your Life Health and Wellness Delusions The Anti Vaccine Movement Alternative Medicine Chiropractic Homeopathy Naturopathy Acupuncture Essential Oils Dietary Supplements Detox Schemes Cupping Ear Candling Reiki Alternative Medicine for Pets Fad Diets Biodynamics Monsanto and the GMO Delusion Volume 2 Your Money Financial Delusions Dot Com Bubble U S Housing Bubble and Global Financial Crisis 2007 08 Ghost Cities The Chinese Housing Bubble Cryptocurrency The Reexamination of Money The Bernie Madoff Ponzi Scheme Whole Lotto Delusion Multi Level Marketing Timeshares Volume 3 Your Soul Cultural Religious and Political Delusions Cultural Delusions Conspiracy Theories An Overview The Mother of all Conspiracy Theories The Sovereign Citizen Movement Holocaust Denial Unidentified Flying Objects Flat Earth HIV AIDS Denialism Climate Change Denialism Coronavirus Conspiracy Theories Year 2000 Bug Y2K Nessie Bigfoot and the Abominable Snowman Chemtrails The Birther Movement Psychic Services Alex Jones and the Sandy Hook School Shooting Catfishing Conspiracy Theory Satire Birds Aren t Real Religious Delusions Mainstream Religion Televangelism Faith Healing Serpent Handling Catholic Priest Sex Abuse Cover up Church of Jesus Christ of Latter Day Saints Jehovah s Witnesses Church of Eckankar Dianetics and the Church of Scientology The Unification Church Moonies End Times The Mayan Apocalypse End Times Heaven s Gate and the Hale Bopp Comet Jim Jones and the Jonestown Massacre Kenya Starvation Cult Lighthouse Cult Branch Davidians Falun Gong Intelligent Design and the Flying Spaghetti Monster Political Delusions QAnon Proud Boys January 6 and the Trump Delusion Dominion Voting Machines Suicide Bombing The Kim Dynasty of North Korea Albania The Hermit Kingdom The Communist Delusion Epilogue Notes and Sources

Invoking the Beyond: Paul D. Collins, Phillip D. Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the

soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond

Before and After Roswell David A. Clary, 2001-01-22 The flying saucer has been the most vivid and persistent image in American life of the last half century It has also generated more controversy and rancor than anything else that might be characterized as a fantasy It is malleable suiting a wide variety of beliefs and outlooks touching nearly every public concern It arrived as a mysterious threat from above a metaphor for The Bomb It transformed swiftly into a hope from above promising to save us from ourselves Renamed UFO it became a symbol for those who distrusted the government Along its way through the postwar skies it acquired a cargo that included every species of hoax craziness lunacy and even sexual fantasy along with a fair amount of scientific and political baggage The flying saucer myth says much about how Americans react to the unexpected Before and After Roswell The Flying Saucer in America 1947 1999 places the flying saucer idea in the context of history politics entertainment and science to arrive at an explanation of what it is all about and how it got that way Because the Roswell incident the story that a flying saucer crashed near Roswell New Mexico in 1947 and that the government has hidden the truth about it ever since has dominated the subject recently the book is anchored around that particular story while demonstrating that the flying saucer did exist before and after Roswell It corrects some misconceptions including one that holds that because a majority of people say they believe in UFOs they therefore believe in a conspiracy to cover up the truth about them After detailing what actually happened in Roswell in 1947 the book takes up the birth of the flying saucer earlier that year underscoring the fact that the name originally denoted its movement not its shape The text then examines the Air Forces and CIAs responses to the phenomenon and the rise of competing bands of ufologists true believers and skeptics to dominate debate over it The book also addresses Cold War contributions to the UFO issue and the role of Hollywood in providing the images that defined it Along the way it describes the crashed saucer tradition the contactees abductions men in black the Bermuda Triangle ancient astronauts cattle mutilations the little gray alien SETIs Drake Equation sex and the flying saucer and the rise of a new ufology emanating from the conspiracy culture growing out of the Kennedy assassination mythology and the Watergate scandal Part Two of Before and After Roswell begins with the invention of the incident in 1980 then traces the history of the flying saucer idea to the end of the century Important here are the submersion of the saucer into the larger anti government

conspiracy tradition of that period and the increasing domination of the subject by television including Area 51 a myth invented on a TV show and the combined influence of reality based cable documentaries and the amazingly popular series The X Files Also addressed are such things as crop circles the MAJIC hoax the face on Mars UFO conspiracy fiction and the explosion of the abduction belief A chapter on The Battle of Roswell traces the evolution of that controversy through a succession of books by ufologists in the end it broke down into disputed orthodoxies and feuds over who had the real crash site to charge admission to When boosters tried to turn Roswell into a tourist attraction their quarrels and mercenary outlook alienated the town and made the annual UFO Encounter a flop The book concludes that the flying saucer is not a thing but an idea and one that will overcome the burden of

Spaceships of the Pleiades Kal K. Korff,2010-08-05 The case of Eduard Billy Meier has gained worldwide attention for his claims of being in on going contact with aliens from the star cluster known as the Pleiades Purported to be the most documented UFO account of all time Meier s files consist of 1 000 photographs and 12 motion picture films of the visiting spacecraft Through thousands of pages of contact notes Meier claims to have passed on the wisdom and advanced technical knowledge from his conversations with these aliens designed to help guide our evolution In addition he alleges that 40 independent eyewitnesses have also seen the alien ships and observed Meier s contacts with them The aliens also left numerous landing tracks in the ground and gave Meier various rock metal mineral and crystal samples as proof of their visitations Author Kal Korff conducted the most thorough examination ever into the case of Billy Meier and all its alleged evidence and reveals here how a Swiss farmer hatched and continues to maintain the most elaborate UFO hoax in history
