War A Revolutionary Approach To Conquering Addiction:

War Dustin Hawkins, 2013-11 A revolutionary approach to conquering addiction In the throes of his battle with drug addiction former professional baseball player Dustin Hawkins realized he needed more than rehab to get sober After many failed attempts to change his life Dustin developed his own unique recovery plan a combination of mental spiritual and physical steps toward sobriety and balance From his experience Dustin created Workout Addiction Recovery or WAR a mind body soul educational system that attacks addiction on every front Armed with the fundamentals of WAR Dustin has maintained a new and healthy lifestyle for five years The WAR lifestyle He and his organization have helped many individuals successfully rescue themselves from the abyss of drugs alcohol and other types of dependency Section one of WAR educates readers about drugs and their effects Section two provides a step by step guide for recovery using exercise healthy eating and spirituality as the fundamental building blocks of a healthy addiction free lifestyle *Gratitude Impact Studies* Xena Mindhurst, AI, 2025-01-23 *Gratitude Impact Studies* presents a groundbreaking exploration of how gratitude practices tangibly affect our minds and bodies backed by extensive scientific research spanning decades This comprehensive work reveals a fascinating discovery practicing gratitude can reshape our brain structure with impacts comparable to learning a new language Through a careful blend of neuroscience psychology and behavioral research the book demonstrates that gratitude is far more than just a feeling it s a trainable cognitive skill with measurable biological and psychological benefits The book s journey unfolds across three major sections beginning with detailed neurobiological evidence of how gratitude changes our brain structure and neural pathways It then progresses to examine long term health impacts presenting compelling data on cardiovascular health stress hormone levels and immune system function in people who maintain regular gratitude practices The final section explores the ripple effects of gratitude in professional and personal relationships supported by workplace and family studies What sets this book apart is its rigorous scientific approach combined with practical applicability Each chapter translates complex research findings into actionable practices making it valuable for both professionals and individuals interested in evidence based personal development The book incorporates multiple research methodologies from fMRI imaging to psychological assessments while maintaining an accessible writing style that bridges the gap between academic research and practical implementation This unique combination of scientific depth and practical utility makes it an invaluable resource for anyone seeking to understand and harness the transformative power of gratitude

Prayer in America James P. Moore, Jr., 2009-03-12 A stirring chronicle of the spiritual life of a nation *Prayer in America* shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed *Prayer in America* brings together the country s hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans

Prayer in America traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the aftermath of 9 11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright J C Penney P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America s clergy immigrants industrialists miners sports heroes and scientists Prayer in America shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country s founding fathers a subject which remains distinct from the debate over church and state

A Moral Defense of Recreational Drug Use Rob Lovering, 2015-08-12 Why does American law allow the recreational use of some drugs such as alcohol tobacco and caffeine but not others such as marijuana cocaine and heroin The answer lies not simply in the harm the use of these drugs might cause but in the perceived morality or lack thereof of their recreational use Despite strong rhetoric from moral critics of recreational drug use however it is surprisingly difficult to discern the reasons they have for deeming the recreational use of some drugs morally wrong In this book Rob Lovering lays out and dissects various arguments for the immorality of using marijuana cocaine heroin and other drugs recreationally He contends that by and large these arguments do not succeed Lovering s book represents one of the first works to systematically present analyze and critique arguments for the moral wrongness of recreational drug use Given this as well as the popularity of the morality based defense of the United States drug laws this book is an important and timely contribution to the debate on the recreational use of drugs

Cincinnati Magazine, 1995-04 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

On the Moral Right to Get High Rob Lovering, 2015-06-29 Is getting high immoral In this book Rob Lovering defends the claim that it is not More specifically he argues that recreational drug use of which getting high is a token is neither intrinsically nor generally extrinsically immoral In other words he contends that recreational drug use is neither immoral in and of itself nor generally immoral due to an immoral making factor with which it may be contingently linked e g harm Lovering does so by offering two arguments for recreational drug use s ultima facie all things considered moral permissibility and critiquing twenty four arguments for its immorality Meant to be a companion to Lovering s A Moral Defense of Recreational Drug Use Palgrave Macmillan 2015 which was written for a general audience this book is written for an academic specifically philosophical audience and explores recreational drug use in a deeper more philosophically and empirically rigorous way
