Jehovah's Witnesses George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society's origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic **Anthropological Perspectives on the Religious**

Uses of Mobile Apps Jacqueline H. Fewkes, 2019-10-10 This edited volume deploys digital ethnography in varied contexts to explore the cultural roles of mobile apps that focus on religious practice and communities as well as those used for religious purposes whether or not they were originally developed for that purpose Combining analyses of local contexts with insights and methods from the global subfield of digital anthropology the contributors here recognize the complex ways that in app and on ground worlds interact in a wide range of communities and traditions While some of the case studies emphasize the cultural significance of use in local contexts and relationships to pre existing knowledge networks and or non digital relationships of power others explore the globalizing and democratizing influences of mobile apps as communication technologies From Catholic confession apps to Jewish Kaddish assistance apps and Muslim halal food apps readers will see how religious themed mobile apps create complex sites for potential new forms of religious expression worship discussion and practices **Jehovah's Witnesses in Europe** Gerhard Besier, 2016-08-17 The religious association of Jehovah's

Witnesses has existed for about 150 years in Europe How Jehovah's Witnesses found their way in these countries has depended upon the way this missionary association was treated by the majority of the non Witness population the government and established churches In this respect the history of Jehovah's Witnesses in Europe is also a history of the social constitution of these countries and their willingness to accept and integrate religious minorities Jehovah's Witnesses faced suppression and persecution not only in dictatorships but also in some democratic states In other countries however they developed in relative freedom How the different situations in the various national societies affected the religious association and what challenges Jehovah's Witnesses had to overcome and still do in part even until our day is the theme of this history volume Religiosity in East and West Sarah Demmrich, Ulrich Riegel, 2020-11-06 The book discusses the theoretical and methodological challenges of an interculturally valid sociology of religion and provides insights into the

autochthonous socio religious research in Muslim societies and Asian countries In this way it links discourses that have so far taken place primarily independently of one another The book goes back to a conference in Münster that questioned the Western foundation of empirical religiosity research which reaches its limits in the non American and non European context but also with regard to orthodox forms of faith in the Western context *World Religions and Cults Volume 1* Bodie Hodge, Roger Patterson, 2015-08-13 Religions in today's culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man's fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion's origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions

Shutting the Door to the Kingdom of God Eric Michael Wilson, 2022-08-20 This book uses the New World Translation of the Holy Scriptures to prove that all the teachings of Jehovah's Witnesses concerning the Last Days and the good news of salvation are unscriptural The author an elder of Jehovah's Witnesses for 40 years shares the results of the last ten years of his research into such Watch Tower teachings as the 1914 invisible presence of Christ the overlapping generation doctrine the failed prophecies of 1925 and 1975 the fact that the Governing Body had evidence long ago showing that 607 BCE was not the date of the Babylonian exile and most important of all the abundant evidence that the salvation hope offered to the JW Other Sheep is a Rutherford invention wholly without support in Scripture He also shares his experience on how Witnesses who continue to believe in Jehovah and Jesus can move beyond JW org without sacrificing their faith This is a must read for any Jehovah's Witness who is a seeker of truth and unafraid to put his or her beliefs to the test *Delivering Culturally Competent Nursing Care* Gloria Kersey-Matusiak, 2024-04-18 Recipient of the 2019 AJN Book of the Year Award Nursing Management and Leadership Focusing on what it really means to be culturally competent in nursing practice this text uses a unique framework to help nurses develop and apply these critical skills and provides numerous techniques for cultural self assessment and cultural patient assessment The third edition imbued with lessons learned from the devastation wrought by COVID 19 and the death of George Floyd and their impact on nurses as frontline workers is updated to reflect present day dynamics It includes three new chapters along with new case studies addressing the changing environment of diversity and inclusion The third edition also expands on the development of critical thinking skills aligning with the new format for the

Next Generation NCLEX RN exam Focusing primarily on developing nurses skills in providing care for diverse patients and populations the text also identifies the inequities and disparities in healthcare access and clinical outcomes experienced by some groups along with strategies for their mitigation A key element culturally competent practice is enlightened personal insight of the nurse The book addresses the application of a self assessment model the Staircase Model enabling nurses to explore their personal biases and limitations and to develop skills in overcoming them The book explores the use of culturally competent practice in a variety of health care scenarios considering both nurse patient encounters and the relationships between health care professionals that can be challenged by differences in race gender ethnicity or language barriers New to the Third Edition New chapter Cultural Considerations When Caring for the Elderly New chapter Cultural Considerations for Advanced Practice Nurses New chapter Caring for Victims of Human Trafficking New case studies addressing ways to achieve culturally competent practice Expands on the development of critical thinking skills aligning with the new format for Next Generation NCLEX RN Key Features Emphasizes self reflection as a first step in developing cultural competence Guides readers in using the Staircase Model to promote cultural competence when working with diverse patients Considers the wide variety of populations at risk in contemporary society with strategies for change Highlights critical aspects of case scenarios at the end of each chapter Includes Next Generation NCLEX RN type questions Examines nurses roles in addressing health care disparities

teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership. Because these people are dying the Watchtower is facing a credibility crisis. So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive. And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000. But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life. The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven. In fact they are the only ones allowed to take communion. He does not believe he can understand Bible truths without the Watchtower. He is dependent on a publication that one day soon will be left without writers to reveal God's truths. Who are those writers? Those who remain of the original 144 000 and they are dying. Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000. In this book you will learn the true history of this false Watchtower doctrine. You will be surprised to discover that this doctrine is not just a Bible issue. It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive. With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower. The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers. Time is the enemy of this teaching and they know it. *Watch Tower Publications Index* 2014 Watchtower Bible and Tract Society of New York, 2015-10-31 *Behind the Watchtower Curtain* David A. Reed, 1989

Jehovah's Witnesses George D. Chryssides, 2016-12-05 From its origins in nineteenth century Adventism until the present day the Watch Tower Society has become one of the best known but least understood new religious movements. Resisting the tendency to define the movement in terms of the negative this volume offers an empathetic account of the Jehovah's Witnesses without defending or seeking to refute their beliefs. George Chryssides critically examines the historical and theological bases of the organization's teachings and practices and discusses the changes and continuities which have defined it. The book provides a valuable resource for scholars of new religious movements and contemporary religion.
