Calm and Quiet My Soul Alyssa Lynn Bell, 2023-10-19 Self care and soul care are trending topics in Christian leadership circles because ministry leaders know they cannot care for their people unless they care for themselves Pastors who are mothers know this too and yet it can feel like just one more task to manage among the many they carry on their schedules and in their hearts The biblical truth is that spiritual rest is a gift from God not an achievement a refreshing reminder for women who hold the dual roles of mom and minister This book invites women leading in these spaces to remember that the God of the Old and New Testaments the one who pours out replenishment for weary hearts is a God who is Mother as well as Father and mothers them with tenderness and strength Starting here in the arms of a mothering God who whispers beloved changes the tone of spiritual care for her from a chore to an oasis of replenishment that grounds her in her identity in Christ as a daughter of Creator God

Everbloom Shayne Moore, Margaret Ann Philbrick, 2017-04-25 A close knit community of Christian women writers share compelling and courageous personal journeys of transformation and growth toward finding their unique voices and invite other women to join them on the beautiful journey From matters of politics to education from social justice to health and wellness and beyond this has been a year for the voices of women to ring out and the Women of Redbud Writers Guild add their voices to the swell voices of honesty faith deep spirituality and generous wisdom In their new book *Everbloom Stories of Deeply Rooted and Transformed Lives* edited by Shayne Moore and Margaret Ann Philbrick they speak out on behalf of those women who might not have found their own voices yet sharing stories of their own personal transformations discoveries and overcomings In forty stories from global campaigns against social injustice and poverty to the most intimate retellings of miscarriages and stillbirths these Women of Redbud Writers Guild share a clarion call to all women there is no pain that cannot be redeemed by the grace of God no God given voice that should be silenced no one for whom the love of God through Jesus Christ will ever fall short

Carriers of the Cloak J. Gabriel Lawson, 2025-04-25 *Carriers of the Cloak* explores how chaplains can cultivate a strong spiritual life and develop as Christlike leaders in the demanding world of military chaplaincy It delves into the origins and foundations of military chaplaincy emphasizing the crucial role of humility in a Christian's life especially for chaplains serving in the military The book outlines six key steps for growing into a humble and effective servant leader while also examining the philosophy of servant leadership Written by a military chaplain for military chaplains it serves as a powerful tool for spiritual formation However its insights extend beyond chaplaincy offering valuable guidance for Christian leaders and ministers in any setting

Intersecting Realities Hak Joon Lee, 2018-11-13 Experiencing racial marginalization in society and pressures for

success in family Asian American Christian young adults must negotiate being socially underpowered culturally dissonant and politically marginal To avoid misunderstandings and conflicts within and without their communities more often than not they hide their true thoughts and emotions and hesitate to engage in authentic conversations outside their very close knit circle of friends In addition these young adults might not find their church or Christian fellowship to be a safe and hospitable place to openly struggle with all of these sorts of questions all the while lacking adequate vocabulary or resources to organize their thoughts This book responds to these spiritual moral struggles of Asian American young people by theologically addressing the issues that most intimately and immediately affect Asian American youths sense of identity God race family sex gender friendship money vocation the model minority myth and community uniquely and consistently from the contexts of Asian American young adult life Its goal is to help young Asian Americans develop a healthy balanced organic sense of identity grounded in a fresh and deeper understanding of the Christian faith Bookseller and Stationer ,1922
