

A serene sunset scene over the ocean. The sun is a bright, glowing orb in the center of the sky, casting a warm, orange and yellow light across the clouds and the water. In the foreground, a large, dark, jagged rock sits in the shallow water, its surface reflecting the light. The overall mood is peaceful and contemplative.

Being a leader is about leading your own mind's logic and leading your heart's reason. Be cognizant of the decisions that your mind and heart make, and your life will be much more meaningful and rewarding.
