The Worlds Largest Man A Memoir:

The World's Largest Man Harrison Scott Key, 2015-05-12 Winner of the 2016 Thurber Prize Harrison Scott Key was born in Memphis but he grew up in Mississippi among pious Bible reading women and men who either shot things or got women pregnant At the center of his world was his larger than life father a hunter a fighter a football coach a man better suited to living in a remote frontier wilderness of the nineteenth century than contemporary America with all its progressive ideas and paved roads and lack of armed duels He was a great man and he taught me many things how to fight and work and cheat and how to pray to Jesus about it how to kill things with guns and knives and if necessary with hammers Harrison with his love of books and excessive interest in hugging couldn't have been less like Pop and when it became clear that he was not able to kill anything very well or otherwise make his father happy he resolved to become everything his father was not an actor a Presbyterian and a doctor of philosophy But when it was time to settle down and start a family of his own Harrison began to view his father in a new light and realized for better and for worse how much like his old man he'd become Sly heartfelt and tirelessly hilarious *The World's Largest Man* is an unforgettable memoir the story of a boy's struggle to reconcile himself with an impossibly outsize role model and a grown man's reckoning with the father it took him a lifetime to understand

Congratulations, Who Are You Again? Harrison Scott Key, 2018-11-06 A Good Housekeeping Book of the Month This funny and wise new memoir from Harrison Scott Key winner of the Thurber Prize for American Humor will inspire laughter and hope for anyone who's ever been possessed by a dream of what they want to be when they grow up Little known author Mark Twain once said that the two most important days in your life are the day you were born and the day you find out why He's talking about dreams here the destiny that calls every living soul to some kind of greatness What Mr Twain doesn't say is A dream is also a monster that wants to eat you Nobody tells you this part of the American Dream until now In this new memoir *Congratulations Who Are You Again* readers join Harrison Scott Key on his outrageous journey to becoming a great American writer As a young boy in Mississippi Harrison possessed many special gifts such as the ability to read and complete college applications And yet throughout young adulthood he failed at many vocations until one day after drinking perhaps too many beers and dusting off his King James Bible he stumbled across a passage about a lonely pelican which burst into flame inside him In a mad blaze of holy illumination Harrison realized his dream to set the world afire with the light inside him He would write a funny book This was his dream With unforgettable wit and tenderness *Congratulations Who Are You Again* is Harrison's instructive tale of pursuing his destiny with relentless and often misguided devotion transforming his life beyond all comprehension He becomes a signer of autographs a doer of interviews a casher of checks that are worth more money than my father had ever imagined any of us might see this side of a drug related felony On this journey Harrison finds that as he gains the world he stands on the precipice of losing everything that means the most his family his mind his soul Hilarious honest and absolutely practical *Congratulations Who Are You Again* is a no holds barred
