**The Zohar** Daniel C. Matt, 2003-09-01 Please see the Zohar Home Page for ancillary materials including the publication schedule press release Aramaic text questions and answers **The Zohar** Daniel C. Matt, **The Zohar** Daniel Chanan Matt, 2004 [The Zohar](#) Daniel C. Matt, **The Zohar**, 2003-10-28 The first two volumes of The Zohar Pritzker Edition translated with commentary by Daniel C Matt cover more than half of the Zohar s commentary on the Book of Genesis through Genesis 32:3 This is the first translation ever made from a critical Aramaic text of the Zohar which has been established by Professor Matt based on a wide range of original manuscripts The extensive commentary appearing at the bottom of each page clarifies the kabbalistic symbolism and terminology and cites sources and parallels from biblical rabbinic and kabbalistic texts The translator s introduction is accompanied by a second introduction written by Arthur Green discussing the origin and significance of the Zohar For ancillary materials including the Aramaic text please visit SUP s Zohar Home Page [www.sup.org/zohar](http://www.sup.org/zohar) Further information on the Zohar Sefer ha Zohar The Book of Radiance has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century Written in a unique Aramaic this masterpiece of Kabbalah exceeds the dimensions of a normal book it is virtually a body of literature comprising over twenty discrete sections The bulk of the Zohar consists of a running commentary on the Torah from Genesis through Deuteronomy This translation begins and focuses here in what are projected to be ten volumes Two subsequent volumes will cover other shorter sections The Zohar s commentary is composed in the form of a mystical novel The hero is Rabbi Shim'on son of Yohai a saintly disciple of Rabbi Akiva who lived in the second century in the land of Israel In the Zohar Rabbi Shim'on and his companions wander through the hills of Galilee discovering and sharing secrets of Torah On one level biblical figures such as Abraham and Sarah are the main characters and the mystical companions interpret their words actions and personalities On a deeper level the text of the Bible is simply the starting point a springboard for the imagination For example when God commands Abraham *Lekh lekha* Go forth to the land that I will show you Genesis 12:1 Rabbi El'azar ignores idiomatic usage and insists on reading the words more literally than they were intended hyperliterally *Lekh lekha* Go to yourself Search deep within to discover your true self At times the companions themselves become the main characters and we read about their dramatic mystical sessions with Rabbi Shim'on or their adventures on the road for example an encounter with a cantankerous old donkey driver who turns out to be a master of wisdom in disguise Ultimately the plot of the Zohar focuses on the ten sefirot the various stages of God s inner life aspects of divine personality both feminine and masculine By penetrating the literal surface of the Torah the mystical commentators transform the biblical narrative into a biography of God The entire Torah is read as one continuous divine name expressing divine being Even a seemingly insignificant verse can reveal the inner dynamics of the sefirot how God feels responds and acts how She and He the divine feminine and masculine relate intimately with each other and with the world **Zohar - Pritzker Edition, Volume Eight**

M. Nouwen,2013-11-20 With the clarity and depth characteristic of the classics this spiritual bestseller lays out a perceptive and insightful plan for living a spiritual life and achieving the ultimate goal of that life union with God Nouwen views our spiritual ascent as evolving in three movements The first from loneliness to solitude focuses on the spiritual life as it relates to the experience of our own selves The second from hostility to hospitality deals with our spiritual life as a life for others The final movement from illusion to prayer offers penetrating thoughts on the most mysterious relationship of all our relationship to God Throughout Nouwen emphasizes that the more we understand and not simply deny our inner struggles the more fully we will be able to embrace a prayerful and genuine life that is also open to others needs *Reaching Out* is a rich book to be read reread pondered and shared with others It does not offers answers or solutions Nouwen cautions but is written in the conviction that the quest for an authentic Christian spirituality is worth the effort and the pain since in the midst of this quest we can find signs offering hope courage and confidence     *Zohar* ,2002 The best selling author of *The Essential Kabbalah* now offers readers the best introduction to the Zohar The splendor and enigmatic appeal of the Zohar the major text of the Jewish mystical tradition has never intrigued readers of all faiths more than it does today But how can we truly understand it Daniel C Matt brings together in one place the most important teachings from the Zohar the cornerstone of Kabbalah described as a mixture of theology mystical psychology anthropology myth and poetry alongside facing page stories notes and historical background that illuminate and explain the text Ideal for the first time reader with no prior knowledge of Jewish mysticism Guides readers step by step through the texts that make up the Zohar midrash mystical fantasy commentary and Hebrew scripture and explains the inner meanings of this sacred text recognized by kabbalists as the most important work of mystical teaching in a way that is both spiritually enlightening and intellectually fascinating     *The Zohar* Daniel C. Matt,2017-05-16 first The commentary on *Merkevet Yehezkel* Ezekiel s Chariot interprets the details of the prophet Ezekiel s chariot vision Beginning with the description of the four creatures the Zohar demonstrates how Divinity and the cosmos comprise a series of quaternities that pervade all Being The last main chapter includes Zoharic commentary to various portions of the Torah The volume closes with a short appendix of passages that printers have labeled Tosefta despite their not fitting into that genre a suitable end to the Zohar whose parameters and composition will remain ever mysterious
