## **The World Ecotourism Summit Final Report:**

*The World Ecotourism Summit*, 2002 The World Ecotourism Summit was held in Canada in May 2002 the principal event to mark the year 2002 as the International Year of Ecotourism Its objective was to bring together governments international agencies NGOs tourism enterprises representatives of local and indigenous communities academic institutions and individuals with an interest in ecotourism in order to share experiences and identify some agreed principles and priorities for the future development and management of ecotourism This report reviews key issues debated and conclusions reached at the Summit and its preparatory process as well including the text of the Quebec Declaration on Ecotourism **Final Report**

,2002 This report contains the summaries of the debates held and conclusions reached at the World Ecotourism Summit and its preparatory process as well as the Quebec Declaration on Ecotourism Ecotourism, NGOs and Development Jim

Butcher,2007-03-12 This topical book examines the advocacy of tourism as sustainable development in a range of NGOs and within the general literature It offers a timely critique of key assumptions underlying ecotourism s status as sustainable development *Quality Assurance and Certification in Ecotourism* Rosemary Black,Alice Crabtree,2007 This book explores

solutions to the problems of inconsistency and even exploitation of the term ecotourism through examples case studies and a discussion of quality control and certification The first part of the book chapters 2 8 moves the reader through the spectrum of quality assurance tools from what are perceived to be the least rigorous and effective awards of excellence and codes of conduct to more formal credible and effective methods certification and accreditation with a brief foray into using indicators to measure and monitor effectiveness The second part chapters 9 23 looks at a range of ecotourism stakeholders perspectives with an emphasis in one way or another on various industry certification programmes A concluding chapter explores the challenges and issues for quality in ecotourism The book has a glossary and a subject index **Proceedings of**

**the XIII International Symposium SymOrg 2012: Innovative Management and Business Performance**, 2012-06-03

**International Handbook on Ecotourism** Roy Ballantyne,Jan Packer,2013-01-01 Roy and Jan have assembled a timely snapshot of our current understanding of ecotourism both as a concept worthy of scientific inquiry and as an increasingly significant segment of global commerce and industry A terrific piece of work Sam Ham University of Idaho US In the 30 or so year since it became established in the tourism literature and in tourism practice ecotourism has attracted as many proponents as opponents This Handbook now brings together some of the leading scholars worldwide in this field to explore the current position of this form of tourism In doing so it offers serious critiques it explores meanings and paradoxes it offers best practices and it looks to the future It is the Handbook for one of tourism s fastest growing and controversial sectors David Airey University of Surrey UK This is a most welcome and needed book With a very strong editorial team and contributing authors the Handbook covers all the key issues of ecotourism It cuts through the confusion surrounding the much misunderstood concept of ecotourism clearly dealing with definitions concepts and research issues The Handbook is

particularly welcome for its focus on the visitor experience a strength of the editors and for clearly linking the theory of ecotourism with practice in the field Christopher Cooper Oxford Brookes University UK This Handbook brings together contributions from over forty international experts in the field of ecotourism It provides a critical review and discussion of current issues and concepts it challenges readers to consider the boundaries of what ecotourism is and could be The Handbook provides practical information regarding the business of ecotourism insights into ecotourist behaviour and visitor experiences and reflections on the practice of ecotourism in a range of different contexts The Handbook is designed to be a valuable reference book for tourism scholars and researchers **Ecotourism and Cultural Production V.**

Davidov,2013-11-19 Ecotourism is a unique facet of globalization promising the possibility of reconciling the juggernaut of development with ecological cultural conservation Davidov offers a comparative analysis of the issue using a case study of indigenous Kichwa people of Ecuador and their interactions with globalization and transnational systems **Ecotourism in Sub-Saharan Africa** Kenneth Backman,Ian E. Munanura,2017-07-14 Since its first mention in the academic literature ecotourism has been endorsed by NGOs and governments as the most environmentally sound and locally beneficial method of tourist development Over the last thirty years sub Saharan Africa has adopted ecotourism as the primary focus for tourism development research into this has demonstrated mixed results In this publication we seek to explore the actual outcomes for African countries that have developed their tourism policy around the principals and values of ecotourism The sheer scope and magnitude of the task means that a complete evaluation of ecotourism in Africa is impossible Instead included here are spot assessments of various aspects of ecotourism related to conservation policy development environment governance community and indigenous peoples in southern Africa The studies cover a wide array of countries including Botswana Kenya Tanzania Uganda Ghana Zimbabwe and South Africa Though this is only the beginning of a needed long term evaluation of the positives and negatives of ecotourism it provides a starting point from which to move forward This book was originally published as a special issue of the Journal of Ecotourism **Ecotourism and Conservation in the Americas** Amanda Stronza,William H. Durham,2008 Using several case studies regional overviews and thematic analyses this book evaluates the pros and cons of ecotourism for communities and ecosystems Focusing on the Americas it draws perspectives from private tour operators non governmental conservation and development organizations local and indigenous communities and tourism researchers **Routledge Handbook of Ecotourism** David A. Fennell,2021-09-21 This handbook presents a timely broad ranging and provocative overview of the essential nature of ecotourism The chapters will both advance the existing central themes of ecotourism and provide challenging and divergent observations that will thrust ecotourism into new areas of research policy and practice The volume is arranged around four key themes sustainability ethics and identity change conflict and consumption and environment and learning with a total of 28 chapters The first section focuses on sustainability as a core ecotourism criterion with a primary focus on some of the macro sustainability issues that have an

impact on ecotourism Foremost among these topics is the linkage to the UN s Sustainable Development Goals which have relevance to ecotourism as one of the greenest or most responsible forms of tourism The chapters in the second section provide a range of different topics that pull ecotourism research into new directions including a chapter on enriching indigenous ecotourism through culturally sensitive universalism The third section includes chapters on topics ranging from persons with disabilities as a neglected body of research in ecotourism to ecotourism as a form of luxury consumption The final section emphasises the link between ecotourism and learning about the natural world including a deeply theoretical chapter on rewilding Europe With contributions from authors around the world this handbook gives a global platform to local voices in both developed and emerging country contexts The multidisciplinary and international Routledge Handbook of Ecotourism will be of great interest to researchers students and practitioners working in tourism and sustainability
