The World of Caffeine Bennett Alan Weinberg, Bonnie K. Bealer, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company *The World of Caffeine* Bennett Alan Weinberg, Bonnie K. Bealer, 2004-11-23 Caffeine is the world's most popular drug Almost all of us start our day with a jolt of caffeine from coffee tea or cola And many of us crave chocolate when we're stressed or depressed Without it we're lethargic head achy and miserable Why Why do we crave caffeine How much do we really know about our number one drug of choice Here is the first natural cultural and artistic history of our favorite mood enhancer how it was discovered its early uses and the unexpected parts it has played in medicine religion painting poetry learning and love Weinberg and Bealer tell an intriguing story of a remarkable substance that has figured prominently in the exchanges of trade and intelligence among nations and whose most common sources coffee tea and chocolate have been both promoted as productive of health and creativity and banned as corrupters of the body and mind or subverters of social order Some Highlights From the World of Caffeine Balzac's addiction to caffeine drove him to eat coffee as some schizophrenic patients are observed to do today and may have killed him Mary Tuke breaks the male monopoly on tea in England in 1725 The ways caffeine functions as a smart pill Goethe's responsibility for the discovery of caffeine Did a mini Ice Age help bring coffee tea and chocolate to popularity in Europe What is the mystery of coffee's origin As good as gold the stories of how caffeine in its various forms was used as cash in China Africa Central America and Egypt What does the civet cat have to do with the most costly coffee on earth today The World of Caffeine is a captivating tale of art and society from India to Balzac to cybercafes and the ultimate caffeine resource **The World of Caffeine** Bennett Alan Weinberg, Bonnie K Bealer, 2002-09-01 NULL Coffee Culture Catherine M. Tucker, 2011-01-26 The Anthropology of Stuff is part of a new Series dedicated to innovative unconventional ways to connect undergraduate students and their lived concerns about our social world to the power of social science ideas and evidence Our goal with the project is to help spark social science imaginations and in doing so new avenues for meaningful thought and action Each Stuff title is a short 100 page mini text illuminating for students the network of people and activities that create their material world From the coffee producers and pickers who tend the plantations in tropical nations to the middlemen and processors to the consumers who drink coffee without ever having to think about how the drink reached their hands here is a commodity that ties the world together This is a great little book that helps students apply anthropological concepts and theories to their everyday lives learn how historical events and processes have shaped the modern world and the contexts of their lives and how consumption decisions carry ramifications for our health the environment the reproduction of social inequality and the possibility of supporting equity sustainability and social justice Japanese Tea Culture Morgan Pitelka, 2013-10-16 From its origins as a distinct set of ritualised practices in the sixteenth century to its international expansion in the twentieth tea culture has had a major impact on artistic production connoisseurship etiquette food design and more recently on notions of

Japaneseness The authors dispel the myths around the development of tea practice dispute the fiction of the dominance of aesthetics over politics in tea and demonstrate that writing history has always been an integral part of tea culture

Food and World Culture Linda S. Watts, Keltie Clark-Mahoney, 2022-08-23 This book uses food as a lens through which to explore important matters of society and culture In exploring why and how people eat around the globe the text focuses on issues of health conflict struggle contest inequality and power Whether because of its necessity pleasure or ubiquity the world of food and its lore proves endlessly fascinating to most people The story of food is a narrative filled with both human striving and human suffering However many of today's diners are only dimly aware of the human price exacted for that comforting distance from the lived world realities of food justice struggles With attention to food issues ranging from local farming practices to global supply chains this book examines how food's history and geography remain inextricably linked to sociopolitical experiences of trauma connected with globalization such as colonization conquest enslavement and oppression The main text is structured alphabetically around a set of 70 ingredients from almonds to yeast Each ingredient's story is accompanied by recipes Along with the food profiles the encyclopedia features sidebars These are short discussions of topics of interest related to food including automats diners victory gardens and food at world's fairs This project also brings a social justice perspective to its content weighing debates concerning food access equity insecurity and politics
