The Inerrancy of Scripture L. J. Anderson, 2025-07-01 IN THE INERRANCY of Scripture L J Anderson tackles one of the most critical and contested doctrines in the Christian faith With clarity theological depth and pastoral concern this work explores what it means for Scripture to be inerrant how it differs from infallibility and why that distinction matters Anderson carefully examines the historical development of the inerrancy debate evaluates major contemporary viewpoints and demonstrates how the Bible's own claims about God and itself demand either full acceptance or complete rejection of its authority PERFECT FOR students pastors and anyone wrestling with the reliability of the Bible this concise yet robust defense argues that inerrancy is not a secondary issue rather it is foundational to faith doctrine and the very character of God If Scripture is truly God's Word then every word matters Contents Dedication Preface Abstract 1 Introduction 2 Overview of the Terms Inerrancy and Infallibility 3 Overview of the Major Different Views on Inerrancy 4 The

Claims Scripture Makes About God and Itself Require Either a Total Rejection or Total Acceptance of Its Authority 5 The Doctrine of the Inerrancy of Scripture Is Necessary to Avoid Apostasy 6 Conclusion A Brief Call to Action Also by L J Anderson Bibliography Hearers and Doers Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it is often overlooked by modern pastors In Hearers and Doers Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples **Rooted Again** Lillian C. Smith, 2022-11-14 Many established congregations are in need of revitalization It is as if in all of the good efforts of ministry the mission has been forgotten The mission of the church is to make disciples of Jesus Christ for the transformation of the world Disciple making in many churches has diminished which was both caused by and resulted in a loss of understanding of the mission of the church and a low prioritization of reaching new people for Jesus Christ This book will provide insight into some of the causes of the situation identify possible spiritual hindrances to ministry and offer strategies for the congregation to reclaim its spiritual foundation and calling *A Call to Christian Formation* John C. Clark, Marcus Peter Johnson, 2021-07-20 This book shows that theology is both integrally related to formation in Jesus Christ and shapes our understanding of the world Christian formation is incomplete and impossible without theological formation because Christ transforms our hearts and minds attuning them to the reality of God As the authors explore the deep connections between theology and the life of the Christian they emphasize Christian formation as a defining feature of the church arguing that theology must be integrally connected to the church's traditions and practices *Rooted Leadership* John Johnson, 2022-06-14 Behind many of the challenges facing us today is a failure of leadership This is not a new problem Yearning for wise guidance and effective authority is a perennial human longing We need leaders who are credible competent and committed But many leaders seem to be caught up even consumed with their own power and agendas Some see the leadership crisis as an intellectual problem believing we lack a clear theory of leadership Others view the breakdown of leadership as a result of increasing deficiency in moral character Most leadership books today revolve around the concepts of motivation inspiration empowerment and teamwork Helpful as these themes might be they miss something more fundamental Leadership needs a theological foundation that will be useful for shaping the undergirding principles and evaluating current leadership theories and practices We need to view leadership from the vantage point of God In *Rooted Leadership* John E Johnson explores how Christian theology provides an overarching leadership framework and applies that theory to leadership practices Spiritual

reflection guided by scripture points us to the very center of leadership God and the purpose of leadership that we might display his glory All the best forms of leading take their cues from who God is his purposes and his ways of working with people that he has progressively revealed Building on three decades of research study and experience as a global leader Johnson surveys the landscape of contemporary leadership theory unpacks the assumptions and beliefs that underly current trends and responds by offering a robust approach to leadership founded on the character work and words of God
