

The top half of the book cover features a surreal landscape. On the left, a large, stylized tree with a dark trunk and a light green, leaf-like canopy stands in front of a wall made of irregular, light brown stones. The ground is a flat, brownish surface with a few small, light-colored rocks. In the background, a body of water is visible, with a smaller, more natural-looking tree on the opposite shore. The sky is a clear, light blue.

**An Introduction to Literature, Criticism and Theory** Andrew Bennett, Nicholas Royle, 2004 A new edition of one of the market leading texts for those interested in critical theory and its effect on our reading of the English literary canon Renowned for its accessible witty style the new edition is updated throughout and contains four new chapters to reflect the continuing development of the subject The key elements of this book that make it so popular are its clear highly accessible articulation of ideas the wide range of texts used as illustrative examples and its witty humorous style Number 1 textbook on our Literature list Literary Theory Criticism is the only major core course in English departments every Literature student will study it A new chapter on Creative Writing currently the biggest growth area in the Humanities in the UK

*Practising Theory and Reading Literature* Raman Selden, 2016-04-22 Practising Theory and Reading Literature provides an accessible introduction to the study of contemporary literary theories and their applications to a range of literary texts This is an elementary introduction where the emphasis is on practice and in this respect it complements A Reader's Guide to Contemporary Literary Theory

Literary Theory: A Practical Introduction Michael Ryan, 1998-12-23 Michael Ryan's comprehensive textbook on the practice of literary

theory demonstrates how the full panoply of theoretical approaches can be used to read the same texts

**In Search of Authority - Third Edition** Stephen Bonnycastle, 2007-04-26 In Search of Authority is the most engaging introduction to literary theory available today This is the third edition of a book that has been widely used to introduce undergraduates to the field of literary theory Its distinctive quality is the way in which it makes complex literary theories such as structuralism deconstruction and post modernism accessible to students by relating these theories to students own enjoyment in reading literature Each theory is illustrated by several applications of the theory to well known literary works Based on a reader response approach to literature In Search of Authority begins with an up to date account of the status of literary theory in the 21st century including a response to recent debates about the post theory question It concludes with a discussion of how an understanding of literary theory can lead to the empowerment of the individual reader and of how the authority of the professor can be gradually transferred to the student This third edition has been revised and updated throughout Each chapter ends with several questions to help students check their understanding of the key ideas in the chapter

**The Modern Study of Literature** Richard Green Moulton, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**The Literary Theory Toolbox** Jeffrey Nealon, 1999 An innovative new resource The Literary Theory of Toolbox offers readers the tools to build concepts and produce analyses rather than asking them to be passive consumers of a body of knowledge called theory Following Gilles Deleuze who described theory as a box of tools the book contends that readers need theory primarily because it does work for them Rather than simply reproducing methods or solutions it offers angles of intervention a toolbox of concepts to assist in approaching texts
