Through A Speculum That Shines:

Through a Speculum that Shines Elliot R. Wolfson, 1994 Judaic scholar Elliot Wolfson's triple award winning study examines Jewish mystical texts from late antiquity pre kabbalistic sources from the 10th to the 12th centuries and 12th and 13th century kabbalistic literature describing Jewish mysticism and the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages

The Zohar Daniel Chanan Matt, 2007 Sefer ha Zohar The Book of Radiance has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century Written in a unique lyrical Aramaic this masterpiece of Kabbalah exceeds the dimensions of a normal book it is virtually a body of literature comprising over twenty discrete sections The bulk of the Zohar consists of a running commentary on the Torah from Genesis through Deuteronomy This fourth volume of The Zohar Pritzker Edition covers the first half of Exodus Here we find mystical explorations of Pharaoh's enslavement of the Israelites the birth of Moses the deliverance from Egypt the crossing of the Red Sea and the Revelation at Mount Sinai Throughout the Zohar probes the biblical text and seeks deeper meaning for example the nature of evil and its relation to the divine realm the romance of Moses and Shekhinah and the inner meaning of the Ten Commandments In the context of the miraculous splitting of the Red Sea Rabbi Shim'on reveals the mysterious Name of 72 a complex divine name consisting of 216 letters 72 triads formed out of three verses in Exodus 14 These mystical interpretations are interwoven with tales of the Companions rabbis wandering through the hills of Galilee sharing their insights coming upon wisdom in the most astonishing ways from a colorful cast of characters they meet on the road

New Paths in Jewish and Religious Studies Glenn Dynner, Susannah Heschel, Shaul Magid, 2024-06-15 The work of Elliot R Wolfson has profoundly influenced the fields of Jewish studies as well as philosophy and religion more broadly His radically new approaches have created pioneering ways of analyzing texts and thinking about religion through the lens of gender sexuality and feminist theory The contributors to *New Paths in Jewish and Religious Studies Essays in Honor of Professor Elliot R Wolfson* many of whom are internationally renowned scholars hearken from diverse fields Each has learned from and collaborated with Wolfson as student or colleague and each has expanded the new scholarly directions initiated by Wolfson's groundbreaking work Wolfson's scholarship gives us innovative ways to think about Judaism and a fresh understanding of religion Not only a scholar Wolfson is one of the most important Jewish thinkers of our day Chapters are grouped according to the categories of religion Jewish thought and philosophy and a focused section on Kabbalah Wolfson's primary specialization The volume concludes with a bibliography of Wolfson's published work and a selection of his poetry

Nahmanides Moshe Halbertal, 2020-09-22 A broad systematic account of one of the most original and creative kabbalists biblical interpreters and Talmudic scholars the Jewish tradition has ever produced Rabbi Moses ben Nahman 1194-1270 known in English as Nahmanides was the greatest Talmudic scholar of the thirteenth century and one of the deepest and most original biblical interpreters Beyond his monumental scholastic achievements Nahmanides was a

distinguished kabbalist and mystic and in his commentary on the Torah he dispensed esoteric kabbalistic teachings that he termed By Way of Truth This broad systematic account of Nahmanides s thought explores his conception of halakhah and his approach to the central concerns of medieval Jewish thought including notions of God history revelation and the reasons for the commandments The relationship between Nahmanides s kabbalah and mysticism and the existential religious drive that nourishes them as well as the legal and exoteric aspects of his thinking are at the center of Moshe Halbertal s portrayal of Nahmanides as a complex and transformative thinker **The Zohar: Reception and Impact** Boaz Huss,2016-05-12

National Jewish Book Awards Finalist for the Nahum N Sarna Memorial Award for Scholarship 2016 From its first appearance the Zohar has been one of the most sacred authoritative and influential books in Jewish culture Many scholarly works have been dedicated to its mystical content its literary style and the question of its authorship This book focuses on different issues it examines the various ways in which the Zohar has been received by its readers and the impact it has had on Jewish culture including the fluctuations in its status and value and the various cultural practices linked to these changes This dynamic and multi layered history throws important new light on many aspects of Jewish cultural history over the last seven centuries Boaz Huss has broken new ground with this study which examines of the reception and canonization of the Zohar as well as its criticism and rejection from its inception to the present day His underlying assumption is that the different values attributed to the Zohar are not inherent qualities of the zoharic texts but rather represent the way it has been perceived by its readers in different cultural contexts He therefore considers not only the attribution of different qualities to the Zohar through time but also the people who were engaged in attributing such qualities and the social and cultural functions associated with their creation re creation and rejection For each historical period from the beginning of Zohar scholarship to the present Huss considers the social conditions that stimulated the veneration of the Zohar as well as the factors that contributed to its rejection alongside the cultural functions and consequences of each approach Because the multiple modes of the reception of the Zohar have had a decisive influence on the history of Jewish culture this highly innovative and wide ranging approach to Zohar scholarship will have important repercussions for many areas of Jewish studies *On Wings of Moonlight* Barbara Ellen Galli,2007-03-07 *On Wings of Moonlight* a phrase taken from one of the poems illuminates the poetic and philosophic kinship between Wolfson Franz Rosenzweig one of his influences since graduate school and Paul Celan Displaying a deep knowledge of the literary philosophical Jewish and feminist traditions informing Wolfson s academic work Galli argues that his prose cannot be fully appreciated without consideration of its poetic dimensions **The Contemplative Soul** Adena Tanenbaum,2002-11-01 During the eleventh and twelfth centuries Jewish poets in Islamic Spain introduced philosophical themes into their devotional verse Drawn to Neoplatonic thought they made liberal use of its myth of the soul to explore the human relationship with the Divine This novel merger reflected a conviction that ideas borrowed from Greco Arabic philosophy meshed comfortably with traditional Jewish approaches to prayer and

spirituality This study focuses on Solomon Ibn Gabirol Moses Ibn Ezra Abraham Ibn Ezra and Judah Halevi polymath poets who also wrote philosophically informed prose works It probes the contemplative motifs in their religious verse uncovering new and at times unorthodox layers of meaning The book includes the Hebrew texts of representative poems accompanied by original English translations and detailed analyses Elliot R. Wolfson: Poetic Thinking Hava Tirosh-Samuelson, Aaron W. Hughes, 2015-03-20 Elliot R Wolfson is Professor of Religious Studies and the Marsha and Jay Glazer Chair of Jewish Studies at the University of California Santa Barbara A scholar of Jewish mysticism and philosophy he uses the textual sources of Judaism to examine universal philosophical topics such as the function and processes of the imagination the paradoxes of temporality and the mystery of poetic language Working at the intersection of disciplines and refusing to reduce texts to their simple historical contexts Wolfson puts texts spanning diverse temporal cultural and religious periods in creative counterpoint His sensitivity to language reveals its fragility as it simultaneously points to the uncertainty of meaning The result is a creative reading of both Judaism and philosophy that informs and is informed by poetic sensibility and philosophical hermeneutics **Circle in the Square** Elliot R. Wolfson, 2012-02-01 This book deals with aspects of the gender imaging of God in a variety of medieval kabbalistic sources It provides the key to understanding the phenomenological structures of mystical experience as well as the thematic correlation of esotericism and eroticism that is central to the kabbalah The author examines the role of gender utilizing current feminist studies and cultural anthropology He explores the themes of the feminization of the Torah the correlation of circumcision and vision of God the phallocentric understanding of divine creation as a process of inscription mythologized as an act of sexual self gratification and the phenomenon of gender crossing in kabbalistic myth and ritual Collectively the studies explore in great depth the androcentric phallocentrism that is characteristic of medieval Jewish mysticism **As Light Before Dawn** Eitan P. Fishbane, 2009-06-29 As Light Before Dawn explores the mystical thought of Isaac ben Samuel of Akko a major medieval kabbalist whose work has until now received relatively little attention Through consideration of an extensive literary corpus including much that still remains in manuscript this study examines an array of themes and questions that have great applicability to the comparative study of mysticism and the broader study of religion These include prayer and the nature of mystical experience meditative concentration directed to God and the power of mental intention authority creativity and the transmission of wisdom
