

The Turning

by
Tim Winton

Overview

The Turning's stand-alone chapters cover a variety of themes, including domestic violence, religious conversion, loyalty versus morality, childhood secrets, adolescent confusion and family responsibility. As a collection, the shorts meld to tell an overarching story of Australian life that is by turns nostalgic, humorous, bleak and menacing, yet always rewarding.

Winton's third suite of stories was published in 2004 and remains Australia's highest selling short story collection. Across seventeen tales, it tracks the emotional journey of its main protagonist, Vic Lang, along with a host of other characters. On the Western Australian coast, Vic has a troubled adolescence largely as a result of his policeman father's disappearance. Vic retreats into himself and becomes a somewhat misguided protector of family and friends. He develops an obsession with people's problems and imperfections, and as an adult finds it almost impossible to let go of his past. The book's stories traverse numerous themes, including the link between sexual development and a sense of shame, family breakdown, religion, violence, small-town narrowmindedness, addiction, social isolation, loyalty versus morality, the power of secrets, and the ongoing effect of witnessing accidents and mishaps. The Turning's major theme, however, is how people can be trapped in their adolescence, unable to grow emotionally. At the end of the book, we see that Vic, despite being in his thirties, is ready to finally make that vital step. He is ready to turn into an adult.

Short Story Cycle

Although it is usually labelled a short story collection, The Turning is a 'short story cycle'. Sometimes also called a 'short story sequence' or 'short story composite', the short story cycle is a literary genre that stands at a midpoint between the traditional collection of stories and the novel. A straightforward collection of stand-alone stories includes only minor points of connection between them, usually thematic. The novel, of course, is an extended piece of fiction that unfolds sequentially and has a unified vision. If segmented at all it is into chapters, which must be read sequentially for the novel to be understood. Amongst numerous subplots and byways, the novel also usually has an overarching storyline.
