Saundra Harrison, 2011-10-12 Live life with a spiritual strategic plan Walk in God s plan for your life Things happen in life but God has strategies for you to live life well The Historical Christ Bruce W. Behrman, 2023-02-16 This book uses the recent findings of cognitive and clinical psychology to draw a picture of the historical Jesus The author uses recent research on conversational memory and clinical psychology in order to shine a light on the way Jesus was This book argues that Jesus suffered from manic depressive illness He identified with God He suffered from extreme mood changes and felt great compassion towards people All of these are mental states which may be triggered by manic depression Manic depression is not a dementing illness This author is not saying that Jesus suffered from a backward type of psychosis But manic depression when manifested in talented persons acts as a catalyst to trigger artistic creativity Many great artists and poets have suffered from manic depression Byron Schumann Tennyson van Gogh Fitzgerald and Lowell to name a few It is among great poets and artists such as these that the author places the historical Jesus This book therefore argues that the writers of the Gospels when they record Jesus as asserting his divinity were conveying an accurate picture of him His assertions of divinity were not fabrications of the early church **A Figurative Commentary On the Song Of Solomon** David Gregson

McNeely, 2025-02-25 In American churches the Song Of Solomon is traditionally thought of as an allegory of the love between Jesus and the church In Hebrew tradition it is an allegory about the love of God for the Hebrew people or Jehovahas Wife While both interpretations can be considered accurate there is a third and mostly overlooked interpretation and that is that it is a poetic representation of the earthly life ministry crucifixion death burial and resurrection of Jesus Christ His continued ministry to the church through the Holy Spirit from Heaven This commentary is an attempt to outline this third interpretation in clear concise language for the edification of the church and the body of Jesus Christ **Berrian Bible Commentary I.**

Ray Berrian,2017-07-07 What makes this commentary so helpful and valuable to you is that under the guidance of the Holy Spirit I am willing to amplify the exact meaning of each verse without shrouding the intent of Jesus's penmen My intent is to leave you with few questions after reading my exegesis of Holy Scripture On main points I offer multiple texts in both the New and Old Testaments **A Christian Guide to the Qur'an** Raouf Ghattas,Carol Ghattas, A Christian guide to the Qur'an will prepare Christians to understand the central messages of the Qur'an in simple terms and illustrates how knowledge of Islam's sacred text can provide bridges to religious understanding and evangelism From back cover **Planting Spiritual Seeds and Uprooting Spiritual Trees** Charles K. Biachi,2018-12-07 The book Planting Spiritual Seeds and Uprooting Spiritual Trees A to Z Prayer Points is an inspirational spiritual book of prayer This is a book that compares physical seeds with spiritual seeds with the aim to enlighten the eyes of understanding of readers that nothing happens by chance What you sow you reap both in the physical and in the spiritual If you sow good seeds you reap good harvest Conversely if you sow bad seeds you reap bad harvest Therefore consciousness of the nature of seeds one sows and receives is very important because life and death are in the power of the tongue Furthermore the book teaches us to uproot what we do not want and establish what we want in our lives through prayers **The American Sentinel** ,1926 **Letter & Spirit, Vol. 9: Christ and the Unity of Scripture** St. Paul Center for Biblical Theology,Leroy Huizenga,Michael Barber,William Bales,Brant Pitre,William Wright,Vincent DeMeo,2014-11-01 The St Paul Center for Biblical Theology and Dr Scott Hahn present the ninth annual edition of Letter Spirit with the theme Christ and the unity of Scripture The seven highly readable articles explore from the Gospels of Matthew and John to the letters of St Paul how the seemingly disparate themes and images are unified and therefore properly understood in Christ The articles while academic in nature are easily accessible to the average reader and can be read with great profit both spiritually and in coming to learn the truths of the Catholic faith more deeply
