

TREKVOOGELS

The background of the cover features a sepia-toned photograph of a vast landscape. In the foreground, a wide river flows from the left towards the center. The middle ground is filled with a dense flock of birds, likely geese or similar large waterfowl, captured in flight. They are scattered across the sky and over the land. In the background, a line of trees marks the horizon under a pale, hazy sky. The overall tone is historical and atmospheric.
