Trigger Happy Videogames And The Entertainment Revolution:

Trigger Happy Steven Poole, 2011-11-07 The Edge calls *Trigger Happy* a seminal piece of work For the first time ever an aficionado with a knowledge of art culture and a real love of gaming takes a critical look at the future of our videogames and compares their aesthetic and economic impact on society to that of film Thirty years after the invention of the simplest of games more videogames are played by adults than children This revolutionary book is the first ever academically worthy and deeply engaging critique of one of today's most popular forms of play videogames are on track to supersede movies as the most innovative form of entertainment in the new century

Trigger Happy: Videogames and the Entertainment Revolution Steven Poole, 2004 Examines the history and phenomenal success of video games and argues that the popular games are on the way to becoming a legitimate art form much in the same way movies did a century earlier
