Diamond Jubilee at Riverside Garland Ladd,2001-05-15 A southern Protestant church is rudely thrust into a traumatic upheaval by an audacious crime perpetrated on the entire congregation Resolution of this crime required ingenuity courage and trust traits that only a cadre of its members possessed and that pocket of faithful resistance rose to defend against evil forces Thankfully pockets of courage still exist in the real world dominated by primordial evil without pockets of love and spiritual soundness chaos would run rampant and the Devil would have his way Everyone who has been active in a church will quickly recognize the human frailty of some characters in this story They will also be able to relate to those characters that have courage and an indomitable spirit Undoubtedly readers will be able to project names and faces from his or her own church to this storys main characters the author did Diamond Jubilee At Riverside illustrates opposing forces at work in a church setting as it deals with spiritual malaise that is exacerbated by external evil forces This requires references to dogma and soul survival which are cornerstones of religious sects After reading this story an ordained minister asked the author How were you able to get into the head of a typical minister and accurately describe church life from that perspective The answer is obvious All church members are ministers in a way and as such should be faithful pockets of resistance to the Devil Diamond Jubilee At Riverside is a fictional story about one pocket of believers that fought evil and won *Billboard* ,1953-03-21 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Fall River Line Journal** Fall River Line,1893 Music Trade Indicator ,1923
