Time Present Time Past A Memoir:

Time Present, Time Past Bill Bradley, 2010-05-05 During his terms in the U S Senate Bill Bradley won a national reputation for thoughtfulness decency and a willingness to take controversial positions on issues ranging from tax reform to the rights of Native Americans All these qualities inform this best selling memoir in which Bradley assesses his political career and the experiences that shaped his convictions and looks beyond them to consider the state of the American union on the eve of the 21st century Time Present Time Past offers an intimate portrait of the day to day working of the Senate how legislation gets passed and sometimes thwarted how money is raised and at what cost But Bradley also writes about deeper questions What does it means to be an American in an ago of dwindling opportunities and increasing inequality How much can we expect from our public servants What do we owe our fellow citizens The result is a genuinely revelatory book informed by intelligence compassion and unprecedented candor Strikingly reflects the realities of modern politics what it looks like feels like from the inside New York Times Book Review [Time Present, Time Past: A Memoir](#) Bill Bradley, 1997-01-01 During his terms in the U S Senate Bill Bradley won a national reputation for thoughtfulness decency and a willingness to take controversial positions on issues ranging from tax reform to the rights of Native Americans All these qualities inform this best selling memoir in which Bradley assesses his political career and the experiences that shaped his convictions and looks beyond them to consider the state of the American union on the eve of the 21st century Time Present Time Past offers an intimate portrait of the day to day working of the Senate how legislation gets passed and sometimes thwarted how money is raised and at what cost But Bradley also writes about deeper questions What does it means to be an American in an ago of dwindling opportunities and increasing inequality How much can we expect from our public servants What do we owe our fellow citizens The result is a genuinely revelatory book informed by intelligence compassion and unprecedented candor Strikingly reflects the realities of modern politics what it looks like feels like from the inside New York Times Book Review [Life Stories](#) Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding

books **New Jersey Governor Brendan Byrne** Donald Linky,2014-10-13 Known by mobsters as the man who couldn't be bought Brendan Byrne led New Jersey into a new era when he won the state's gubernatorial election by a landslide in the wake of political corruption scandals A former prosecutor and judge Byrne was soon condemned as one term Byrne the inept politician who few thought would risk the humiliation of standing for a second term Yet Byrne surprised both friend and foe alike by pulling off the state's most remarkable political comeback winning re-election and leaving a legacy of preserving the vast resources of the Pinelands enacting the state's first income tax and comprehensive school financing reform developing the Meadowlands approving casino gambling in Atlantic City and initiating strong environmental controls to combat pollution

Nünning,Ansgar Nünning,2025-11-14 Although it is well known that narrative impacts our modes of assessing and interpreting the world as well as the creation of cultural identities and cultural communities there is little research on the way in which cognition culture and narratives intersect Cultural narratology usually focuses on the relation between culture and narrative while cognitive narratology explores the relation between cognition and narrative However the three concepts reciprocally influence each other narratives shape cognition just as cognitive frames and processes shape narratives Similarly the culture we belong to informs our cognitive processes and the way we perceive interpret and react to our environment Culture and narrative also impact each other in myriad ways Narratives are therefore at the centre of this volume and each chapter deals with narrative either as a cognitive or performative tool relating it to either cognition or culture or to both The volume also explores social practices of real world storytelling for instance in discourses on migration and the cognitive dimension of cultures that narratives provide access to The latter includes shared self concepts schemata and cultural models This interdisciplinary volume builds conceptual bridges between cultural studies cognitive theory and narrative theory **Memoirs of the Rev. Altman,1982 **The Radical Middle Class** Robert D. Johnston,2013-10-31 America has a long tradition of middle class radicalism albeit one that intellectual orthodoxy has tended to obscure The Radical Middle Class seeks to uncover the democratic populist and even anticapitalist legacy of the middle class By examining in particular the independent small business sector or petite bourgeoisie using Progressive Era Portland Oregon as a case study Robert Johnston shows that class still matters in America But it matters only if the politics and culture of the leading player in affairs of class the middle class is dramatically reconceived This book is a powerful combination of intellectual business labor medical and above all

political history Its author also humanizes the middle class by describing the lives of four small business owners Harry Lane Will Daly William U Ren and Lora Little Lane was Portland s reform mayor before becoming one of only six senators to vote against U S entry into World War I Daly was Oregon s most prominent labor leader and a onetime Socialist U Ren was the national architect of the direct democracy movement Little was a leading antivaccinationist The Radical Middle Class further explores the Portland Ku Klux Klan and concludes with a national overview of the American middle class from the Progressive Era to the present With its engaging narrative conceptual richness and daring argumentation it will be welcomed by all who understand that reexamining the middle class can yield not only better scholarship but firmer grounds for democratic hope
