literature and Mozart's *The Magic Flute*. Then as abruptly as she came Jem disappears. The years and schools that follow as well as the lovers do not dim the image of the wondrous Jem. The disheartened Alice is almost ready to settle into an ordinary life when an accident and the intervention of a latter day fallen angel impel her to go on one more wild and extravagant journey. Like the opera it echoes the result is pure enchantment. Why did it take me so long to discover the singular joys of Barbara Trapido's novels? Why for so many years had I missed these witty soulful heartbreaking expansive brilliant tales? I have become a literary evangelist on her behalf. On account of my badgering all my friends now love her too. I won't rest until everyone in America has read and fallen in love with this fabulous author Elizabeth Gilbert.
