Cultural Excavation and Formal Expression in the Graphic Novel Jonathan C. Evans, Thomas Giddens, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2013 The graphic novel is an artefact of visual images and written words a complex and expressive form tackling a multitude of issues and themes across the globe The graphic novel is a tool of self expression and personal identity of cultural understanding and philosophical exploration of history and hope Comics and graphic novels traverse themes such as heroism identity philosophy gender history and colonialism and these are just some of the topics encountered on the pages of this diverse collection of perspectives and analyses Incorporating chapters from authors all over the world this volume examines and expounds the rich tapestry of meanings expressions and cultural insights found in the medium of graphic fiction From concerns with comics definition and history to examinations of both seminal and neglected works as well as the medium s future Cultural Excavation and Formal Expression in the Graphic Novel demonstrates the deeply ingrained relevance of comics to contemporary culture Superhero Synergies James N.

Gilmore, Matthias Stork, 2014-03-06 In the age of digital media superheroes are no longer confined to comic books and graphic novels Their stories are now featured in films video games digital comics television programs and more In a single year alone films featuring Batman Spider Man and the Avengers have appeared on the big screen Popular media no longer exists in isolation but converges into complex multidimensional entities As a result traditional ideas about the relationship between varying media have come under striking revision Although this convergence is apparent in many genres perhaps nowhere is it more persistent more creative or more varied than in the superhero genre Superhero Synergies Comic Book Characters Go Digital explores this developing relationship between superheroes and various forms of media examining how the superhero genre which was once limited primarily to a single medium has been developed into so many more Essays in this volume engage with several of the most iconic heroes including Batman Hulk and Iron Man through a variety of academic disciplines such as industry studies gender studies and aesthetic analysis to develop an expansive view of the genre s potency The contributors to this volume engage cinema comics video games and even live stage shows to instill readers with new ways of looking at thinking about and experiencing some of contemporary media s most popular texts This unique approach to the examination of digital media and superhero studies provides new and valuable readings of well known texts and practices Intended for both academics and fans of the superhero genre this anthology introduces the innovative and growing synergy between traditional comic books and digital media **Game Development Essentials: An Introduction**
