

A high-contrast, black and white close-up portrait of Tupac Shakur. He is looking slightly upwards and to the left. The lighting is dramatic, with deep shadows on the right side of his face and bright highlights on the left. He has a small diamond stud in his nose and a slight smile. The background is dark and textured.

American Masculinities in Contemporary Documentary

Film Sara Martín, 2023-05-24 Most documentaries deal with men but what do they actually say about masculinity In this groundbreaking volume Sara Martín analyses more than forty 21st century documentaries to explore how they represent American men and masculinity From Jennifer Siebel Newsom's *The Mask You Live In* to Raoul Peck's *I Am Not Your Negro* this volume explores sixteen different faces of American masculinity the good man the activist the politician the whistleblower the criminal the sexual abuser the wrongly accused the dependent man the soldier the capitalist the adventurer the sportsman the architect the photographer the musician and the writer The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy which makes American men promises of empowerment it cannot fulfill The filmmakers view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism accompanied nonetheless by a celebration of resilient masculinity and of the good American man Firmly positioning documentaries as an immensely flexible relevant tool to understand 21st century American men and masculinity their past present and future this book will interest students and scholars of film studies documentary film American cultural studies gender and masculinity

Notes from the Field

Anna Deavere Smith, 2019-05-21 Smith's powerful style of living journalism uses the collective cathartic nature of the theater to move us from despair toward hope *The Village Voice* Anna Deavere Smith's extraordinary form of documentary theater shines a light on injustices by portraying the real life people who have experienced them One of her most ambitious and powerful works on how matters of race continue to divide and enslave the nation *Variety* Smith renders a host of figures who have lived and fought the system that pushes students of color out of the classroom and into prisons As Smith has put it Rich kids get mischief poor kids get pathologized and incarcerated Using people's own words culled from interviews and speeches Smith depicts Rev Jamal Harrison Bryant who eulogized Freddie Gray Niya Kenny a high school student who confronted a violent police deputy activist Bree Newsome who took the Confederate flag down from the South Carolina State House grounds and many others Their voices bear powerful witness to a great iniquity of our time and call us to action with their accounts of resistance and hope

Chocolate Cities

Marcus Anthony Hunter, Zandria Robinson, 2018-01-16 When you think of a map of the United States what do you see Now think of the Seattle that begot Jimi Hendrix The Dallas that shaped Erykah Badu The Holly Springs Mississippi that compelled Ida B Wells to activism against lynching The Birmingham where Martin Luther King Jr penned his most famous missive Now how do you see the United States *Chocolate Cities* offers a new

cartography of the United States a Black Map that more accurately reflects the lived experiences and the future of Black life in America Drawing on cultural sources such as film music fiction and plays and on traditional resources like Census data oral histories ethnographies and health and wealth data the book offers a new perspective for analyzing mapping and understanding the ebbs and flows of the Black American experience all in the cities towns neighborhoods and communities that Black Americans have created and defended Black maps are consequentially different from our current geographical understanding of race and place in America And as the United States moves toward a majority minority society Chocolate Cities provides a broad and necessary assessment of how racial and ethnic minorities make and change America s social economic and political landscape

Rhymin' and Stealin' Justin A Williams,2013-07-25 Rhymin and Stealin begins with a crucial premise the fundamental element of hip hop culture and aesthetics is the overt use of preexisting material to new ends Whether it is taking an old dance move for a breakdancing battle using spray paint to create street art quoting from a famous speech or sampling a rapper or 1970s funk song hip hop aesthetics involve borrowing from the past By appropriating and reappropriating these elements they become transformed into something new something different something hip hop Rhymin and Stealin is the first book length study of musical borrowing in hip hop music which not only includes digital sampling but also demonstrates a wider web of references and quotations within the hip hop world Examples from Nas Jay Z A Tribe Called Quest Eminem and many others show that the transformation of preexisting material is the fundamental element of hip hop aesthetics Although all music genres use and adapt preexisting material in different ways hip hop music celebrates and flaunts its open source culture through highly varied means It is this interest in the web of references borrowed material and digitally sampled sounds that forms the basis of this book sampling and other types of borrowing becomes a framework with which to analyze hip hop music and wider cultural trends

Disciples of the Street Eric Gutierrez,2008-03-01 What would cause a small 140 year old Episcopal Church in the heart of the South Bronx to begin offering hip hop services How would the church both locally and nationally react Utilizing scores of interviews and months of research Disciples of the Street is the story of one church s engagement with hip hop religion the conflicts that ensued and the resulting birth of something much larger Following that small hip hop religious movement from its inception in the summer of 2004 through its building of a national profile in a story that moves from the birthplace of rap to youth detention facilities in Virginia to the New South and all manner of places in between Gutierrez looks deeply into the questions of what hip hop has to say to the traditional church and what the church might say to hip hop culture Disciples of the Street is a compelling story well told and the definitive look at the issues facing a movement that s growing in popularity and gaining traction around the country

Youth Poets Korina M. Jocson,2008 Counterpoints publishes the most compelling and imaginative books being written in education today Grounded on the theoretical advances in criticalism feminism and postmodernism in the last two decades of the twentieth century Counterpoints engages the meaning of these innovations in various forms of educational expression Committed to the proposition that theoretical literature should be accessible to a variety of audiences the series insists that its authors avoid esoteric and jargonistic languages that transform educational scholarship into an elite discourse for the initiated

From Dropout to Doctorate Terence Lester,2025-09-09 The author s message is potent and timely this is a vital call to reform a broken system Publishers Weekly Review June 2025 Dr Lester has gifted us this book for this moment and for our posterity He shares searing personal stories of tragedy and hardship that moves the crisis in our educational system beyond statistics and into the realm of human impact He adds academic ballast to his intimate narrative so we come to understand not simply his individual story but the historic and systemic forces at work that affect millions today Jemar Tisby from the foreword Inspiring the Next Generation to Advocate for Educational Equity Terence Lester was born into a two parent household that later separated due to family conflict In search of safety and stability his mother moved him and his sister from place to place Carrying the weight of that early trauma Lester turned to gangs became a juvenile delinquent experienced homelessness and at one point lived out of his car He dropped out of high school But Lester s story doesn t end there He eventually returned to school graduated as a fifth year senior and defied the odds by earning five degrees including a PhD in public policy What made the difference In *From Dropout to Doctorate* Lester unveils the realities of educational injustice and the profound impact of unjust policies and systems on Black communities He shows how poverty disrupts the lives of Black families leading to homelessness and perpetuating the school to prison pipeline A Powerful Personal Story Drawing from his own personal narrative and scholarly research Lester names the complex challenges faced by Black children in underresourced and socially dense environments As a public scholar and nonprofit leader he advocates for equitable access to advanced education and addresses the systemic

barriers that limit opportunities for Black people An Advocate s Voice for Change Through his personal experiences Lester calls on educators nonprofit leaders and community influencers to confront educational inequity and inspire systemic change His advocacy encourages readers to envision a world rooted in justice and inclusivity Offering remedies of community involvement and mentorship Lester marks out a hopeful pathway that cultivates potential and provides opportunities for Black youth to thrive For Those Who Believe in a Just Future This book speaks to those who are ready to champion change and reimagine what is possible for marginalized communities From Dropout to Doctorate will challenge you to question the status quo and equip you to make a difference in your community If you re ready to join the fight for educational equity and inspire the next generation pick up your copy today Will you be the next one to make an impact The Art of Critical Pedagogy Jeffrey Michael Reyes Duncan-Andrade, Ernest Morrell, 2008 This book furthers the discussion concerning critical pedagogy and its practical applications for urban contexts It addresses two looming yet under explored questions that have emerged with the ascendancy of critical pedagogy in the educational discourse 1 What does critical pedagogy look like in work with urban youth and 2 How can a systematic investigation of critical work enacted in urban contexts simultaneously draw upon and push the core tenets of critical pedagogy Addressing the tensions inherent in enacting critical pedagogy between working to disrupt and to successfully navigate oppressive institutionalized structures and between the practice of critical pedagogy and the current standards driven climate The Art of Critical Pedagogy seeks to generate authentic internal and external dialogues among educators in search of texts that offer guidance for teaching for a more socially just world
