Ain't Poetry Barbara Muhammad, 2012-05-02 The title of this book and eggs ain't Poetry is not based on personal or significant meaning It was chosen because it is catchy and funny Its title comes from a song bearing the words Grits ain't groceries and eggs ain't poultry and Mona Lisa was a man Smile Expressive or entertainment art be it poetry fictional novels plays or whatever is just that entertainment The ideas for such are ingenious of the individual writers imagination experiences perceptions beliefs and or emotions When we focus on and understand the writer's message and where the idea for his/her work stems then the outcome of the reading will be more enjoyable by flowing along and engulfing the words Then we may be able to understand the mindset the writer was in when he or she first created the work My point being no real right or wrong way to design this book inside or out was used except through the Author's ingenuity Everyone is genuine and distinctive and should make their own footprints in life setting standards and even barriers for themselves Not letting others dictate their existence nor agenda But write their own stories Hope you enjoy the book and eggs ain't Poetry Be blessed
