Undead Child in Popular Culture Craig Martin, Debbie Olson, 2024-08-07 In this study of representations of children and childhood a global team of authors explores the theme of undeadness as it applies to cultural constructions of the child Moving beyond conventional depictions of the undead in popular culture as living dead monsters of horror and mad science that transgress the borders between life and death rejuvenation and decay the authors present undeadness as a broader concept that explores how people objects customs and ideas deemed lost or consigned to the past might endure in the present The chapters examine nostalgic texts that explore past incarnations of childhood mementos of childhood zombie children spectral children images and artefacts of deceased children as well as states of arrested development and the inability or refusal to embrace adulthood Expanding undeadness beyond the realm of horror and extending its meaning conceptually while acknowledging its roots in the genre the book explores attempts at countering the transitory nature of childhoods This unique and insightful volume will interest scholars and students working on popular culture and cultural studies media studies film and television studies childhood studies gender studies and philosophy **American Noir Film**

M. Keith Booker, 2024-11-19 A deep dive into classic noir films and how filmmakers today are refreshing and updating the genre for new generations Publishers Weekly praises the book noting Cinephiles will be enthralled and Library Journal says it

s a well written introduction to noir films and how the genre has continued to thrive as times changed Booklist calls it a riveting history of the film noir genre in a starred review saying This is one of the best best written most insightful analyses of film noir and it demands to be read by fans of film history In American Noir Film M Keith Booker introduces readers to the cult favorite genre of film noir and discusses the ongoing power and popularity of the genre s key elements and themes in modern films often considered neo noir well into the twenty first century Booker covers a wide range of noir favorites from the early classics The Maltese Falcon and The Big Sleep to late twentieth century neo noir such as Chinatown and ultimately newer iterations of the genre as seen in such films as Inherent Vice Promising Young Woman and Uncut Gems American Noir Film contains three separate parts each exploring crucial categories of noir the detective film the lost man film and femme fatale films Within each section Booker discusses the essential classic noir films that embody these themes as well as neo noir films that invite viewers to analyze how the traditional components of noir have evolved with filmmaking Finally each section concludes with twenty first century films that evoke noir elements while refreshing the genre and enhancing viewers appreciation of the originals that inspired them what Booker terms revisionary noir Whether new to noir films students of the genre or long time fans readers will be sure to learn what makes this genre so special discover why filmmakers keep coming back to it and find a new favorite movie to add to their shelves

Normalizing Mental Illness and Neurodiversity in Entertainment Media Malynnda Johnson, Christopher J. Olson, 2021-04-20 This volume examines the shift toward positive and more accurate portrayals of mental illness in entertainment media asking where these succeed and considering where more needs to be done With studies that identify and analyze the characters viewpoints and experiences of mental illness across film and television it considers the messages conveyed about mental illness and reflects on how the different texts reflect reinforce or challenge sociocultural notions regarding mental illness Presenting chapters that explore a range of texts from film and television covering a variety of mental health conditions including autism post traumatic stress disorder PTSD depression and more this book will appeal to scholars of sociology cultural and media studies and mental health

Culture, Madness and Wellbeing Jason Lee, 2023-12-12 This book is a unique study of the historical theoretical and cultural interpretations of madness including interviews with those who have experiences of madness It takes a transdisciplinary approach employing historical psychological and sociological perspectives through an intersectional lens This work explains how the prioritization of thinking over feeling in Western thought means the transrational imagination has frequently been negated in tackling mental health with detrimental results This book therefore examines creative media especially film as a transrational form of human expression for healing and wellbeing along with television theatre social media music and computer games Madness with regards to gender sexuality adolescence and class in media and film is interrogated as well as madness and race through a focus on colonialism post colonialism and psychiatry It analyses group psychosis including celebrity culture and the madness of leaders and gurus This book challenges the lasting influence of the Age of Reason by

furthering our understanding of the value of transrationality and the diverse ways of being human

Radiohead FAQ Dan Caffrey, 2021-03-15
No band in recent history has divided listeners' opinions as much as Radiohead Are they the Beatles of the twenty first century or is their music just pretentious overly melancholic and sometimes boring Musician pop culture critic and playwright Dan Caffrey wasn't always a Radiohead fan but that all changed one Chicago winter when he suddenly found their album *In Rainbows* to be a welcome source of sonic warmth An extension of Caffrey's deep but often cautious love for the band *Radiohead FAQ* presents a fittingly sideways look at what he's dubbed the world's most famous cult band Inside these pages readers will find the essentials of the Radiohead story along with deep dives into seldom explored topics from the humor surrounding the band's music to the numerous hip hop artists who have sampled their songs Each chapter is devoted to a band member plus their

producer and sixth member Nigel Godrich revealing comprehensive biographical details about each person The end result is a book custom made for casual Radiohead fans and obsessives alike filled with little known facts new ways of looking at their music and like any music book worth its salt maddening opinions *Vigilantes* Kevin Grant,2020-01-03 For many people the cinematic vigilante has been shaped by Charles Bronson s character in Death Wish and its sequels But screen vigilantes have taken many guises from Old West lynch mobs and rogue police officers to rape avengers and military trained equalizers This book recounts the varied representations of such characters in films like The Birth of a Nation which celebrated the violence of the Ku Klux Klan and Taxi Driver Falling Down and You Were Never Really Here in which the vigilante impulse was symptomatic of mental instability Also considered is the extent to which fictional vigilantism functions as social commentary and to what degree it is simply stoking popular fears *Dark Places and Little Tramps* Juri Nummelin,2025-05-15 Dark Places and Little Tramps collects Juri Nummelin s writings on noir hardboiled sleaze and other literary genres of yesteryear The author has written extensively about genre fiction and popular culture for more than four decades but this new volume is the first publication of his writings in English Among many other subjects it features a lengthy section on neo noir and writers like Gillian Flynn Allan Guthrie Jason Starr and Duane Swierczynski He also investigates British spy and crime fiction and includes chapters on western and horror Nummelin shines new light to many of these areas such as the largely forgotten topic of sleaze paperbacks **Stellar Transformations** Steven Rybin,2022-01-14 Stellar Transformations Movie Stars of the 2010s circles around questions of stardom performance and their cultural contexts in ways that remind us of the alluring magic of stars while also bringing to the fore the changing ways in which viewers engaged with them during the last decade A salient idea that guides much of the collection is the one of transformation expressed in these pages as the way in which post millennial movie stars are in one way or another reshaping ideas of performance and star presence either through the self conscious revision of aspects of their own personas or in redirecting or progressing some earlier aspect of the culture Including a diverse lineup of stars such as Oscar Isaac Kristen Stewart Tilda Swinton and Tyler Perry the chapters in Stellar Transformations paint the portrait of the meaning of star images during the complex decade of the 2010s and in doing so will offer useful case studies for scholars and students engaged in the study of stardom celebrity and performance in cinema **Vanity Fair** ,2018 **The Green Book Magazine** ,1918 **The American Mercury** George Jean Nathan, Henry Louis Mencken,1929 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman,1895 **The Delineator** R. S. O'Loughlin, H. F. Montgomery, Charles Dwyer,1927 Romances: La dame de Monsoreau Alexandre Dumas, Auguste Maquet,1893 *Temple Bar* ,1882 *Cassell's Little Folks* ,1911
