Your Madness Not Mine Your Madness Not Mine:

Your Madness, Not Mine Juliana Makuchi Abbenyi-Nfah, 1999-02-28 Women's writing in Cameroon has so far been dominated by Francophone writers. The short stories in this collection represent the yearnings and vision of an Anglophone woman who writes both as a Cameroonian and as a woman whose life has been shaped by the minority status her people occupy within the nation state. The stories in *Your Madness Not Mine* are about postcolonial Cameroon but especially about Cameroonian women who probe their day to day experiences of survival and empowerment as they deal with gender oppression from patriarchal expectations to the malaise of maldevelopment, unemployment and the attraction of the West for young Cameroonians. Makuchi has given us powerful portraits of the people of postcolonial Africa in the so called global village who too often go unseen and unheard.

Dreamland Carly Goodman, 2023-03-13 In a world of border walls and obstacles to migration, a lottery where winners can gain permanent residency in the United States sounds too good to be true. Just as unlikely is the idea that the United States would make such visas available to foster diversity within a country where systemic racism endures. But in 1990 the United States Diversity Visa Lottery was created to do just that. *Dreamland* tells the surprising story of this unlikely government program and its role in American life as well as the global story of migration. Historian Carly Goodman takes readers from Washington D.C. where proponents deployed a colorblind narrative about our nation of immigrants to secure visas for white immigrants to the African countries where it flourished and fostered dreams of going to America. From the post office to the internet, aspiring emigrants, visa agents and others embraced the lottery and tried their luck in a time of austerity and limits. Rising African immigration to the United States has enriched American life, created opportunities for mobility and nourished imagined possibilities. But the promise of the American dream has been threatened by the United States embrace of anti immigrant policies and persistent anti Black racism.

Sinkhole Joe KING, In the small town of Tameworth there are some very strange goings on when a sinkhole suddenly makes an entire lake disappear within minutes taking with it two unsuspecting participants in a game of life and death The story of the mines that riddle the landscape began 100 years earlier When the Tin mine was closed unbeknown to the company that decommissioned the mine the vents were never capped over properly but also unknowingly the horror that lay beneath the town of Tameworth was thought to have been sealed over and forgotten forever When thirty miners died in horrific circumstances the link between the strange object that was found deep in the mine was to blame and soon the mine

was labelled as cursed Strange events surround the mine and once it was closed the locals soon wanted to forget the sexual deviancy and horrors it had brought to the town 50 years on and the lake that had formed over one of the mines air vents suddenly disappears one night and for those next two weeks the people still alive from the past soon began to wish they had never heard of the mine but this time they had been lucky and after two weeks the lake refilled and all seemed quiet once more Again the story abated into a sordid secret never to be told and as the town grew the stories soon disappeared of the cursed mine and the abhorrent events it wrought on the town Josh has lived in Tameworth all his life and after meeting his lifelong friend and now girlfriend thoughts of their future and marriage flood his young adult mind as he believes he has found his soulmate but little does Josh realise that what is about to happen is going to change his life forever His plan for a romantic proposal was simple A boat trip out onto White Mere Lake and then a romantic meal and then said deed would be done and his future with Lisa would be sealed Unknowing to Josh and Lisa it was time for the strange spirit that resides below that had waited its 50 years and it was now time to wreak havoc once more on the town But this time it was wanting more than ever before The malevolent spirit wants only the souls of the chosen few and now has a way out of the mine and soon it will seek out those souls that it needs to be free David Bromin the local fire chief it soon to realise that a rescue mission he was on soon turns into one of the strangest mysteries he has ever come across when a geologist named Sarah Lucas convinces him that she needs to go down the Tin mine to find something she suspects is a new phenomenon to science and like so many before them they soon discover that this mine is indeed cursed and now the spirit knows they are looking beyond what they need to know With murders suddenly appearing all over Tameworth detective Paul Smyth is soon on the scene and colluding with David to try to figure out what is happening but like so much David is learning the town of Tameworth is covering up a dirty secret and those involved with stop a nothing to keep Tameworth s seedy past secret even if it means framing or even killing those who seek out the truth With the town in jeopardy and the evil spirit slowly gaining strength time is running out to destroy the entity before it rampages through the town in this endearing yet odd tale from Joe KING
