Your Amazing Newborn:

Your Amazing Newborn Phyllis H. Klaus, Marshall H. Klaus, 1998-10-06 *Your Amazing Newborn* celebrates a baby's extraordinary abilities in the first hours and days of life. Marshall and Phyllis Klaus take parents and all those who care for new families into this freshly charted world one they have been exploring for decades. The results of their fascinating research are illuminated by over 120 exquisite photographs all of babies less than two weeks old. *Your Amazing Newborn* begins before birth with images of fetuses actually comforting themselves in the womb. We then see newborns less than one hour old crawling unassisted to the breast recognizing the voices of their parents and shutting out unwanted sights and sounds. Parents will learn how to discover an infant's clear preferences for certain shapes, smells, tastes, and tones of voice. They will be delighted by the ways babies seem to be able to ensure their own survival and they will be amazed that within days after birth newborns can engage in an intimate and reciprocal choreography and nestle into a parent's embrace as though they had practiced for years. *Your Amazing Newborn* is a must for parents to be, grandparents, siblings, and caregivers. Through its stunning photographs, we see the first reach, the first mutual gaze, and most wonderful of all, the first spark of recognition that ignites a lifetime bond. **The Amazing Newborn** Marshall H. Klaus, Phyllis H. Klaus, 1985-01-21 **Birth And Beyond** Yehudi Gordon, 2020-08-13 Written by one of the world's leading obstetricians, this extraordinary book takes a totally fresh look at what parenting means in the 21st century. Taking a holistic approach, it advocates integrated health care, i.e., both conventional and complementary therapies, and with its exhaustive medical content, including a 160-page A-Z section, also acts as a superb source of reference.
