Transmitting the Spirit in Missions Amos Jimmy Markin, 2019-02-05 Transmitting the Spirit in Missions The History and Growth of the Church of Pentecost discourses on how Pentecostalism in general has been involved in the current growth mission and changing face of global Christianity It argues that African Pentecostals particularly are an integral part of the global expansion of Christianity in this century Specifically this book engages the history and growth of the Church of Pentecost an African Pentecostal denomination from Ghana to demonstrate how African Pentecostals have taken their spirituality into their own hands and planted churches in their home country as well as other parts of the globe The focus of this book is that African Pentecostals have achieved this feat through the experiential power and reliance of the Holy Spirit and the indigenous factor The specific highlight is that this book is an updated analysis of the history growth and missions of

the Church of Pentecost Although this work is transformed from a PhD thesis the content is presented accessibly to both the academia and general church populace both pastors and the laity

Sharing the Journey Robert Wuthnow,1996-07-01 A look at how support groups have affected American society argues that although support groups provide a warmth and security that holds society together they can lead to an unhealthy self absorption and a trivialized sense of what is sacred **Jesus** Thomas Zanzig,1996 The older teens in your parish want a youth ministry program that exposes them to relevant real world topics in an active engaging way Horizons is an innovative comprehensive approach to religious education Its foundation is teacher led creative learning strategies that give students ample opportunities for discussion reflection and fun Designed for grades 9 12 Horizons utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish Seven core courses set the stage for discussing central and foundational themes Then choose from a wide selection of age appropriate minicourses to round out your curriculum and craft summer courses retreats and youth group activities The Youth Ministry Strategies component features more than 65 creative youth activities to complement the Horizons curriculum And on top of all that Horizons includes outstanding training resources You ll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere The Living Church ,1983 *Youth Retreats for Any Schedule* Maryann Hakowski,2007 Retreats offer young people an opportunity to learn more about themselves build relationships with others and grow in their relationship with God Retreats are occasions for conversion and a chance to get away from the busyness of life and encounter God Youth Retreats for Any Schedule includes five retreats on a variety of topics that speak to the needs and daily experiences of young people Ministry leaders can use each retreat as written or mine the book for resources to use in religious education classes youth group meetings mission trips and so on The retreats and activities can also be used as a springboard for creating new retreats Lamb Food Kevin Crosthwaite,2020-02-25 In the Gospel of John Jesus three times admonishes Peter to feed my sheep Theologians suspect the three repeats harken back to Peter s three denials I think it simply underscores how important it is to build and nourish the worldly flock All Christian leaders must nourish and grow

their respective flocks However when facing a group of youth of various ages this can be daunting How do you keep their attention Particularly for modern social media addicted youth who are so easily BORED Our solution has been to look for a hook to gain and keep their attention In that spirit this book collected the ideas that worked for us Also when planning a Sunday school program you will occasionally need to inspire encourage and support other adult leaders This book is a collection of those stories along with youth activities and games While we did use scripture and Bible stories in our programs the focus of our approach was to draw on examples from nature and popular culture that point to God Then once you can grab their attention together you can lead them to a deeper understanding of Scripture while they open new insights to you
