late afternoon sunlight was slanting across the heather when the Mantis came puffing round a bend of the river Contrary to
the established custom and traditions of British men of war her crew maintained a breathless and high spirited dialogue with
the Captain who seasoned it with shrill invective directed at a routed enemy invisible and presumed to be in full flight amid
the bracken At the bend alluded to the Captain of the Mantis turned and shouted encouragement to the Moth who some
hundred yards astern was negotiating some rapids and presumably under heavy fire I say do buck up he cried The Turks are
retreating like anything I can t buck up wailed the Captain officers and ship s company of the Moth There s a bramble all
caught up in my petticoat Take the beastly thing off then commanded the Senior Officer and turned to con his ship through
the tortuous shallows of the Upper Reaches The fir clad and boulder strewn slopes of the valley had given place to the open
moor where the stream abandoned its headlong course and broadened into wide pools and shelving beaches of gravel strewn
with bleached twigs The Tarantula was discernible still among the cataracts while in the far distance the Main Army
clambered deftly from boulder to boulder and fended off the onslaughts of flies with a frond of bracken Although the fire of
the enemy had perceptibly slackened the casualties aboard the Mantis mounted steadily Three times the Commanding
Officer quitted his ship to wallow in his gore on the springy turf only returning on each occasion to find the Quartermaster on
his knees in the shallows delivering valedictory rhetoric at his post as his life s blood ebbed The barred and speckled trout
fled up stream like bronze flashes as the irresistible advance continued The shrill bark of the Mantis s gun searched the
hollows and peat bogs for the possibly lurking rearguard of the rout and sent the shy kingfisher darting ahead of the
bedraggled white ensign in the van of the pursuit Finally the Mantis dropped anchor from sheer lack of breath and prepared
to disembark a landing party Her Captain carrying the ensign and armed to the teeth climbed on to a lichen scarred boulder
in quest of the remainder of the Naval Forces Come on he shouted and the sound of his voice was swallowed by the vast
solitude of the moor The Moth had forsaken the waterways and from discreet glimpses afforded by a furze bush bordering
the stream was proceeding in execution of previous orders The Tarantula it was useless to disguise the inglorious fact was
engaged in picking blackberries and sharing them with the Main Army Far out of reach of hail or reproach the advance guard
of that historic force hitherto invisible was alone unquenched in spirit and energy and rushed to and fro with wagging tail
among the bewildering blend of scents left by the passage of rabbit vole and otter The Captain of the Mantis permitted his

nostril to curl contemptuously Pouf he said and added for the benefit of the officers and men of the landing party
 desperadoes all what can you expect from girls His fellow desperadoes presumably from motives of chivalry or disgust
 vouched no reply and their leader turned to sweep the path of the retreat through a pair of mother of pearl opera glasses
 suspended from his neck by a piece of string Then instinctively like a wild animal surprised all the supple grace of his young
 body stiffened tense and rigid Not fifty yards up stream sat a man nursing a rifle across his knees **Dictionary Catalog of
