Widening Access to Education as Social Justice Akpovire Oduaran,Harbans S. Bhola,2006-07-10 Among the greatest challenges of the twenty first century is that of providing adequate educational opportunities to all citizens of the globe The broad availability of such opportunities and the genuine ability to take advantage of them are fundamental components of any equitable society In examining how widening access to education contributes to social justice this anthology composes a tribute to the life and work of the Nigerian educationist Michael A Omolewa The twenty seven contributions to this volume discuss foundational issues related to the educational dimensions of social justice present overviews of approaches related to widening access and analyze case studies from around the world as well as consider future directions in education policy and research This thematic depth is matched by the geographic representativeness of the work with contributors coming from the global South and North Widening Access to Education as Social Justice speaks with a credible and powerful voice about how making greater formal and informal educational opportunities available to men and women young adults and children everywhere can help bring about more equitable ways of living together thereby fostering the goods of cultural diversity tolerance and respect along with the creativity and responsibility vital to bringing about actual social harmony

Encyclopedia of Social Movement Media John D. H. Downing, John Derek Hall Downing, 2011 The entries are designed to be relatively brief with clear accessible and current information

Human Rights NGOs in East Africa Makau Mutua, 2013-05-29 Human rights nongovernmental organizations NGOs are by definition not part of the state Rather they are an element of civil society the strands of the fabric of organized life in countries and crucial to the prospect of political democracy Civil society is a very recent phenomenon in East African nations where authoritarian regimes have prevailed and human rights watchdogs have had a critical role to play While the state remains one of the major challenges to human rights efforts in the countries of the region other problems that are internal to the human rights movement are also of a serious nature and they are many What are the social bases of the human rights enterprise in transitional societies What mandate can human rights NGOs claim and in whose name do they operate Human Rights NGOs in East Africa critically explores the anatomy of the human rights movement in the East African region examining its origins challenges and emergent themes in the context of political transitions In particular the book seeks to understand the political and normative challenges that face this young but vibrant civil society in the vortex of globalization The book brings together the most celebrated human rights thinkers in East Africa enriched by contributions from their colleagues in South Africa and the United States To date very little has been written about the struggles and accomplishments of civil society in the nations of East Africa This book will fill that gap and prove to be an invaluable tool for understanding and teaching about human rights in this complex and vital part of the world
