Initial cleaning

- Remove all accessories and removable shelf supports (if applicable).
- Clean the appliance before first use.

Important! Refer to the chapter "Care and cleaning".

Setting the time

-  You must set the time before you operate the oven.

When you connect the appliance to the electrical supply or after a power cut, the indicator for the Time of Day function flashes. Press the **+** or **-** button to set the correct time.

After approximately five seconds, the flashing stops and the display shows the time of day you set.

-  To change the time, press  again and again until the indicator for the Time of Day function flashes. You must not set the Duration  or End  function at the same time.

Preheating

Preheat the empty appliance to burn off the remaining grease.

1. Set the function  and the maximum temperature.
