THE TWO CAREERS OF HUGH CLEGG

Ronald F. Borne

Troutmouth The Two Careers Of Hugh Clegg

Justin Randolph

Troutmouth The Two Careers Of Hugh Clegg:

Troutmouth Ronald F. Borne, 2015-05-27 Hugh Clegg 1898 1979 was among the most notable Mississippi historical figures during the 1920s through the 1960s Born in Mathiston Mississippi he was a member of the Federal Bureau of Investigation from 1926 to 1954 during which time he rose to the top leadership and worked directly under Director J Edgar Hoover and Associate Director Clyde Tolson In his second career as executive assistant to Chancellor J D Williams at the University of Mississippi from 1954 to 1969 he was in a top leadership position before and during the civil rights crises in the State of Mississippi and at Ole Miss While with the Bureau Clegg s responsibilities included leading the search for many of the most dangerous gangsters in the country including John Dillinger Baby Face Nelson the Barker gang and Alvin Karpis He established the FBI s National Training Academy and coordinated the hunt for atom bomb spy Harry Gold collaborator with German spy Emil Klaus Fuchs He was sent to England by Director Hoover prior to the outbreak of World War II to study British intelligence agencies A close friend of many of the leading federal and state elected officials and of members of the US Supreme Court Clegg was well known to many in power At the University of Mississippi he was the prime contact between the university and the federal government during the desegregation crises of Clennon King and James Meredith He was also assigned the lead role in combating the efforts of Mississippi politicians to discredit and remove faculty members when scholars were thought too liberal and therefore a threat to the state Through a Freedom of Information request from the FBI author Ronald F Borne obtained thousands of pertinent documents In addition he mined Clegg s oral history and an unpublished book manuscript Borne interviewed close relations colleagues and friends to reveal a portrait of a distinguished loyal man who significantly shaped the training procedures for the FBI and then mediated the University of Mississippi s conflicts with both state officials and the federal government

Gangster Hunters John Oller, 2024-11-26 The enthralling can t put down account of the birth of the modern FBI J Edgar Hoover was the face of the FBI But the federal agents in the field relentlessly chasing the most notorious gangsters of the 1930s with their own lives on the line truly transformed the Bureau In 1932 the FBI lacked jurisdiction over murder cases bank robberies and kidnappings Relegated to the sidelines agents spent their days at their desks But all of that changed during the War on Crime Hunting down infamous public enemies in tense frequently blood soaked shootouts the Bureau was thrust onto the front pages for the first time Young agents fresh out of law school and anticipating a quiet white collar job faced off with murderous felons who were heavily armed clad in bulletproof vests and owned cars that outraced the best vehicles the Bureau had But the federal men were fiercely devoted to the Bureau to each other and to bringing America s most wanted criminals to justice The G men crisscrossed the United States in pursuit of John Dillinger Bonnie and Clyde Ma Barker s criminal family Baby Face Nelson and Pretty Boy Floyd But the green FBI agents were always one step behind and a moment too late the criminals evading elaborate stakeouts and dramatic ambushes Facing mounting criticism with bodies left in their wake the agents had to learn

to adapt After all more than their reputations were at stake Through incredible primary source research John Oller transports readers right to the most harrowing and consequential raids of the 1930s with fast paced action that shows the lengths both sides would go to win

A Taste for Treason Andrew Jeffrey,2022-10-06 A gripping true story of wartime espionage Dundee 1937 When housewife Mary Curran became suspicious of hairdresser Jessie Jordan s frequent trips to Nazi Germany she had no idea that she was about to be drawn into an international web of espionage Thanks to a tip off from Mary MI5 and the FBI launched major spy hunts on both sides of the Atlantic This is the true story of a decade long series of Nazi espionage plots in Britain Europe and the United States It shows how a Nazi spy s letter posted in New York and intercepted in Scotland broke spy rings across Europe and North America And it reveals for the first time how that letter marked the genesis of an intelligence and security alliance that today includes the United States the UK Canada Australia and New Zealand Fascinating gripping and expertly researched an extraordinary true tale of espionage told with all the drama and panache of a spy thriller Michael Smith bestselling author of The Secrets of Station X

G-Man (Pulitzer Prize Winner) Beverly Gage,2023-11-14 Now in paperback the Pulitzer Prize winning biography of J Edgar Hoover deemed Masterful an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work by The Washington Post and everywhere else Revelatory an acknowledgment of the complexities that made Hoover who he was while charging the turbulent currents that eventually swept him aside The New York Times G Man is the groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today s conservative political landscape Hoover transformed a scandal riddled law enforcement backwater into a modern machine one just as oppressive as it was promising He rose to power and then stayed there decade after decade using the tools of the state to create a personal fiefdom unrivaled in U S history Beverly Gage s monumental work explores the full sweep of Hoover s life and career from his birth in 1895 to a modest Washington civil service family to a strongarm for white supremacists and the politicized Christian right serving eight presidents G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century A crisply written prodigiously researched and frequently astonishing new biography The New Yorker Gage s penetrating account of Hoover s career especially his many long eclipsed triumphs offers a well timed and sobering perspective as yet another institution in our fractured country struggles to maintain trust The Atlantic Gage s triumph is her deft navigation through Hoover s deep state while reminding us of the abuse of power that remains his enduring legacy The Boston Globe

Mississippi Law Justin Randolph,2025-09-17 In the segregated American South policing was war Rampant police violence came to the back roads and cattle pastures of America s rural countryside as ideas of race property and belonging reshaped the role of government in everyday life In Mississippi Law Justin Randolph explores rural law enforcement to explain US

racial authoritarianism between the Civil War and the civil rights movement In Jim Crow Mississippi the force behind the police officer s autocracy carried legacies of empire and slavery into the age of agribusiness and automobiles from state troops and slave patrols to state troopers and highway patrols But this is no isolated story of individual barbarism US military and reform traditions informed ruling class beliefs in thoughtful police improvement through both the state militia and its inheritor the state police Black Mississippians fought to raise awareness and defend their loved ones against the violence spawned by paramilitary police reform Some took up arms against police officers others imagined a legal off ramp to remake public safety after Jim Crow Ultimately the transformation of what one activist called Mississippi Law came with more funding and more authority for policing a key piece of infrastructure for the age of mass incarceration that followed the civil rights revolution Recounting the works of both famous and forgotten activists Mississippi Law is a genealogy of Jim Crow rule and dreams of a safety that might have been and might yet be

The Snatch Racket Carolyn Cox,2021-03 Although the 1932 kidnapping of aviator Charles Lindbergh s baby was a worldwide sensation it was only one of an estimated three thousand ransom kidnappings that occurred in the United States that year The epidemic hit America during the Great Depression and the last days of Prohibition as criminal gangs turned kidnapping into the highly lucrative snatch racket Wealthy families and celebrities purchased kidnap insurance hired armed chauffeurs and bodyguards and carried loaded handguns Some sent their children to school or summer camp in Europe to get them out of harm s way Recent Kidnappings in America was a regular feature in the New York Times while Time magazine included kidnappings in its weekly list of notable births deaths and other milestones The Snatch Racket is the story of a crime epidemic that so frightened families that it undermined confidence in law enforcement and government in general In response President Franklin D Roosevelt waged a three year War against Kidnappers with J Edgar Hoover and his G men newly empowered to carry weapons and make arrests on the front lines This first U S war against terrorism revolutionized and modernized law enforcement in the United States dramatically expanding the powers of the federal government in the fight against not only kidnapping but many new types of interstate crime At the heart of the narrative are some of the most iconic names of the twentieth century Rockefeller Ford Lindbergh Roosevelt Hoover Capone Schwarzkopf and Hearst all caught up in the kidnapping frenzy The Snatch Racket is a spellbinding account of terrifying abductions of prominent citizens gangsters invading homes with machine guns the struggles of law enforcement and the courage of families doing whatever it took to bring home the ransomed

Killing the Mob Bill O'Reilly,Martin Dugard,2021-05-04 Instant 1 New York Times Wall Street Journal and Publishers Weekly bestseller In the tenth book in the multimillion selling Killing series Bill O Reilly and Martin Dugard take on their most controversial subject yet The Mob Killing the Mob is the tenth book in Bill O Reilly s 1 New York Times bestselling series of popular narrative histories with sales of nearly 18 million copies worldwide and over 320 weeks on the New York Times bestseller list O Reilly and co author Martin Dugard trace the brutal history of 20th Century organized crime in the United States and

expertly plumb the history of this nation's most notorious serial robbers, common murderers and especially mob family bosses. Covering the period from the 1930s to the 1980s, O'Reilly and Dugard trace the prohibition-busting bank robbers of the Depression Era such as John Dillinger, Bonnie Clyde, Pretty Boy Floyd and Baby Face Nelson. In addition, the authors highlight the creation of the Mafia Commission, the power struggles within the Five Families, the growth of the FBI under J. Edgar Hoover, the mob battles to control Cuba, Las Vegas and Hollywood, as well as the personal war between the U.S. Attorney General Bobby Kennedy and legendary Teamsters boss Jimmy Hoffa. O'Reilly and Dugard turn these legendary criminals and their true-life escapades into a read that rivals the most riveting crime novel. With *Killing the Mob*, their hit series is primed for its greatest success yet. *Hugh Clegg Interviewed by Gordon Phillips* Hugh Armstrong Clegg, 1992
