Secrets of the Adversarial Interview Ron Niccum, 2010-01-06 Techniques technologies and applications the arts and sciences of interrogating criminal suspects their victims and the witnesses to their crimes Sounds exciting don't it adversarial Ooooooh kind a gets you all tingly Wow And doesn't it just set you to thinking about gladiators locked in the deadly dance of hand to hand combat Secrets takes you through the entire process of interrogation from start to finish BUT if you were expecting waterboarding and other inefficient methods of torture FORGET IT The Adversarial Interview not only works but it's legal **MEMORY ENHANCING TECHNIQUES FOR INVESTIGATIVE INTERVIEWING** Ronald P. Fisher, R.E.

Geiselman, 1992-01-01 Despite the obvious importance of eyewitness information in criminal investigation police receive surprisingly little instruction on how to conduct an effective interview with a cooperative eyewitness More than half of police departments have no formal training whatsoever for newly appointed investigators Most texts in police science either completely omit the issue of effective interviewing techniques or provide only superficial coverage This manual provides guiding principles to effective interviewing with specific techniques to be used and others to be avoided There are principles of memory retrieval so that the reader will understand why to employ specific techniques for example when to use open ended versus direct short answer questions effective use of pauses asking follow up questions cues to name and number recall etc There is the strategy of interview sequential structure that is what to probe for at the beginning middle and end of the interview Also included are practical exercises and real world experiences The book will also be helpful for attorneys in conducting investigative interviews *Serial Killer or Hit-man?* BL Tucker, 2018-07-10 I didn't quite understand what was going on until I saw him die in front of me His body just lay there without moving I called out to him several times but to no success He was dead Now I knew I was next I knew my daddy would make sure I couldn't tell what REALLY happened So says Richard Kuklinski better known as the Iceman The Devil himself The monster in describing his younger brother's death at

the hands of their drunken abusive father Richard would go on to kill over 125 people some just for fun Another prime example of our own society sometimes beginning at home with one's own parents creating our own monsters serial killers Some would call Richard Kuklinski a hitman while others would refer to him as one of the prolific serial murderers of our time Or was he both Did he suffer from anti social and paranoid personality disorder or was he as some experts say just born to kill Born with an evil gene in his blood
