In this category, you will be asked to calculate ratios, proportions, and percentages. You will also be asked to identify, manipulate, and interpret linear equations and expressions.

Algebraic Reasoning

In this category, you will be asked to solve linear, quadratic, polynomial, exponential, rational, and radical equations. You will also be asked to evaluate functions and solve algebraic problems in context.

Geometric & Spatial Reasoning

In this category, you will be asked to convert units within measurement systems, solve geometric problems, perform transformations, and apply right-angle trigonometry.

Probability & Statistical Reasoning

In this category, you will be asked to classify data, construct appropriate representations of data, interpret probability, perform computations, and describe measures of center and spread of data.

**The College Readiness Classification (CRC) Test contains 20 questions. If the benchmark for college readiness is not met, you'll be given the Diagnostic Test, which contains 48 questions.*

English Language Arts and Reading

30 Questions*

Reading-focused Questions

This category will test comprehension skills and your ability to analyze literary, informational, and argumentative texts.

Writing-focused Questions

This category will assess your ability to revise and edit sentences, paragraphs, and drafts of essays.

**The College Readiness Classification (CRC) Test contains 30 questions. If the benchmark for college readiness is not met, you'll be given the Diagnostic Test, which contains 48 questions.*

Essay Scoring Criteria

You will be asked to write a 300- 600-word essay based on a randomly selected prompt. The essay will then be scored based on the following six criteria:

Purpose and Focus: The extent to which you present information in a unified and coherent manner

Organization and Structure: The extent to which you order and connect ideas

Development and Support: The extent to which you develop and support ideas

Sentence Variety and Style: The extent to which you craft sentences and paragraphs, demonstrating control of vocabulary, voice, and structure

Mechanical Conventions: The extent to which you express ideas using standard English conventions

Critical Thinking: The extent to which you communicate a point of view and demonstrate reasoned relationships among ideas
