Black Spartacus Sudhir Hazareesingh, 2020-09-01 Winner of the 2021 Wolfson History Prize Black Spartacus is a tour de force by far the most complete authoritative and persuasive biography of Toussaint that we are likely to have for a long time An extraordinarily gripping read David A Bell The Guardian A new interpretation of the life of the Haitian revolutionary Toussaint Louverture Among the defining figures of the Age of Revolution Toussaint Louverture is the most enigmatic Though the Haitian revolutionary's image has multiplied across the globe appearing on banknotes and in bronze on T-shirts and in film the only definitive portrait executed in his lifetime has been lost Well versed in the work of everyone from Machiavelli to Rousseau he was nonetheless dismissed by Thomas Jefferson as a cannibal A Caribbean acolyte of the European Enlightenment Toussaint nurtured a class of black Catholic clergymen who became one of the pillars of his rule while his supporters also believed he communicated with vodou spirits And for a leader who once summed up his modus operandi with the phrase Say little but do as much as possible he was a prolific and indefatigable correspondent famous for

exhausting the five secretaries he maintained simultaneously at the height of his power in the 1790s Employing groundbreaking archival research and a keen interpretive lens Sudhir Hazareesingh restores Toussaint to his full complexity in *Black Spartacus* At a time when his subject has variously been reduced to little more than a one dimensional icon of liberation or criticized for his personal failings his white mistresses his early ownership of slaves his authoritarianism Hazareesingh proposes a new conception of Toussaint s understanding of himself and his role in the Atlantic world of the late eighteenth century *Black Spartacus* is a work of both biography and intellectual history rich with insights into Toussaint s fundamental hybridity his ability to unite European African and Caribbean traditions in the service of his revolutionary aims Hazareesingh offers a new and resonant interpretation of Toussaint s racial politics showing how he used Enlightenment ideas to argue for the equal dignity of all human beings while simultaneously insisting on his own world historical importance and the universal pertinence of blackness a message which chimed particularly powerfully among African Americans Ultimately *Black Spartacus* offers a vigorous argument in favor of getting back to Toussaint a call to take Haiti s founding father seriously on his own terms and to honor his role in shaping the postcolonial world to come Shortlisted for the Baillie Gifford Prize Finalist for the PEN Jacqueline Bograd Weld Award for Biography Named a best book of the year by the *The Economist Times Literary Supplement New Statesman* *Revue Canadienne Des Sciences de L'information Et de Bibliothéconomie* ,2005-03 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles Guide to Microforms in Print ,1993 **Livres de France** ,2007 Includes 1982 1995 Les Livres du mois also published separately *Les Livres disponibles* ,2002 La liste exhaustive des ouvrages disponibles publi s en langue fran aise dans le monde La liste des diteurs et la liste des collections de langue fran aise **Quid?** Dominique Frémy,2007 Le Monde ,2000 **Documentation et bibliothèques** ,2002 Point de repère ,2000 *Etudes Sur la Revolution Francaise* Georges Lefebvre,1954 *La Revolution Francaise - Tout Pour Briller en Societe* Stephane Tournier,2013 *Études Et Leçons Sur La Révolution Française*; Francois-Alphonse Aulard,2018-07-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *La Revolution Francaise - Se Cultiver Dans Les Transports* Stephane Tournier,2013
