Gandhi & Art and Other Essays Raman Sinha,2024-10-30 In the Vishnudharmottara Purana when Vajra asks about the art of sculpting deities Markandeya responds that understanding sculpture first requires knowledge of painting When Vajra seeks the rules of painting Markandeya further explains that painting itself cannot be understood without knowledge of dance To grasp choreography one must first comprehend music and true understanding of music is only possible through mastery of singing This interdependence of art the insight into the essence of art is not only attractive but also worth deploring especially when over specialization is the norm of our age The essays in this book are a reflection of that ideal seeking to explore and touch even a small part of this artistic interdependence **One Lifetime, Many Lives** Robin Rinehart,1999 Through an analysis of the rhetorical strategies of those who have written about his life his hagiographers the book argues that the reporting of the experience of being in Swami Rama Tirtha's presence is a central feature of these hagiographies The nature of the experiences of close disciples of the Swami as opposed to those of followers of a later period helps account for the radical changes in the portrayal of the Swami in the hagiographical tradition **According to**
