Sex Money Murder Jonathan Green, 2018-05-15 Nominated for an Edgar Award Exceptionally authentic Jill Leovy The New York Times Book Review In the late 1980s and early 1990s the Bronx had one of the country's highest per capita homicide rates As crack cocaine use surged dealers claimed territory through intimidation and murder while families were fractured by crime and incarceration Chronicling the rise and fall of Sex Money Murder one of the era's most notorious gangs reporter Jonathan Green creates a visceral and devastating portrait of a New York City borough and the dedicated detectives and prosecutors struggling to stem the tide of violence Drawing on years of research and extraordinary access to gang leaders law enforcement and federal prosecutors Green delivers an engrossing work of gritty urban reportage Magisterial in its scope *Sex Money Murder* offers a unique perspective on the violence raging in modern day America and the battle to end it

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21 *Law and Gender in Modern Ireland Critique and Reform* is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland
