Young Anointed And Empowered:

Young, Anointed and Empowered Marcus L. Arrington, 2011-02 In his seminal work *Young Anointed and Empowered* Marcus L. Arrington presents an uplifting message of hope to teens and young adults worldwide Through transparent articulation of his own journey and the journeys of well known biblical figures he confirms that God uses ordinary people to do extraordinary things Some of his character highlights include David Joseph and Daniel and his three friends Arrington's introduction begins with a brief survey of the ills that inundate the landscape of youthdom He ends on a glorious note of triumph by assuring youths and those that care for youths that the enemies that confront them and seek to destroy them are not indestructible In fact Arrington informs some and reminds others that God Almighty is a timely deliverer who makes it His business to rescue the downtrodden bruised and oppressed After a riveting introduction Arrington builds momentum in Chapter 1 where he asks poignantly what are you looking for He again informs and reminds youths that the thing they are searching for is found in God through Jesus Christ After examining the faith commitment and courage of the aforesaid biblical figures in Chapters 4-6 Arrington continues his conversation by observing purity and the need to have a clean heart before God in chapter 7 He transitions from his emphasis on purity and addresses the politics of being called by God to do a work for God In Chapter 8 Arrington discusses empowerment He creatively explains the ministry person and work of the Holy Spirit and why all believers need His direction and help Finally Arrington concludes his conversation with a heartfelt observation of the truth that greatness in life is preceded by the tandem of humility and obedience to God Brigham Young John G. Turner, 2012-09-25 Brigham Young was a rough hewn New York craftsman whose impoverished life was electrified by the Mormon faith Turner provides a fully realized portrait of this spiritual prophet viewed by followers as a protector and by opponents as a heretic His pioneering faith made a deep imprint on tens of thousands of lives in the American Mountain West

The Holy Spirit in the Old Testament Leon J. Wood, 1998-06-24 There are more than veiled references to the Holy Spirit in the Old Testament The Spirit is seen as the creator the renewer of the life of humanity in redemption as the Person through whom the prophets of the Lord were inspired and through whom men and women received the gifts of wisdom for leadership administration and craftsmanship Dr Wood concludes his study by showing that the concepts of regeneration indwelling sealing filling and empowering by the Spirit were already in action in the Old Testament He presents a comparative study of the words for spirit in both testaments and shows how the Old Testament revelation serves as a background and a basis for a fuller understanding of the complete work of the spirit in present New Testament age of fulfillment
