Your Name Achilles Son Daniel:

Perspectives on Latter-day Saint Names and Naming Dallin D. Oaks, Paul Baltes, Kent Minson, 2023-03-01

Perspectives on Latter day Saint Names and Naming approaches cultural historical and doctrinal dimensions of The Church of Jesus Christ of Latter day Saints through a fresh lens that explores how these dimensions intersect with names and naming. Featuring a collection of chapters from multiple authors its bipartite structure examines fascinating topics in relation to the Church looking first at cultural and historical perspectives before analyzing doctrinal and scriptural perspectives. The book discusses such matters as how contemporary naming practices of Latter day Saints compare to those outside the faith how code names were used in one of the faith's books of scripture to protect Church leaders from persecution and how names and naming relate to the covenant identity of Church members. Through its fresh approach to understanding religious identity and belief in relation to The Church of Jesus Christ of Latter day Saints this book is an invaluable resource for scholars and students of Mormon studies and will also be of interest to people with a fascination with names and naming issues as those occur in a variety of settings including religious ones.

Voices of Change in the Spanish American Theater William I. Oliver, 1977-01-01 The aim of this anthology is to present a selection of plays that are representative of a fresh

spirit and of societal pressures and changes in Spanish American culture The plays shun the earlier realistic sentimental and melodramatic conventions of Spanish American theater Instead they reflect the tenor of the dramatic imagination of the mid to late twentieth century an imagination that sought new forms and ways of expressing a new awareness of the Spanish American dilemma In selecting these plays William I Oliver looked for more than mere illustrations of these changes As a practicing director and playwright he sought works that are effective on the stage as well as on the page As an editor and translator he sought works that could be translated culturally as well as linguistically The six plays in this varied and vigorous anthology are the measure of his success The plays included are The Day They Let the Lions Loose by Emilio Carballido Mexico The Camp by Griselda Gambaro Argentina The Library by Carlos Maggi Uruguay In the Right Hand of God the Father by Enrique Buenaventura Colombia The Mulatto s Orgy by Luisa Josefina Hernández Mexico and Vi a Three Beach Plays by Sergio Vodnovic Chile
