Yours In Sisterhood Ms Magazine And The Promise Of Popular Feminism

Monika N. Gosin

Yours In Sisterhood Ms Magazine And The Promise Of Popular Feminism:

Yours in Sisterhood Amy Erdman Farrell, 2000-11-09 In the winter of 1972 the first issue of Ms magazine hit the newsstands For some activists in the women s movement the birth of this new publication heralded feminism s coming of age for others it signaled the capitulation of the women s movement to crass commercialism But whatever its critical reception Ms quickly gained national success selling out its first issue in only eight days and becoming a popular icon of the women s movement almost immediately Amy Erdman Farrell traces the history of Ms from its pathbreaking origins in 1972 to its final commercial issue in 1989 Drawing on interviews with former editors archival materials and the text of Ms itself she examines the magazine s efforts to forge an oppositional politics within the context of commercial culture While its status as a feminist and mass media magazine gave Ms the power to move in circles unavailable to smaller more radical feminist periodicals it also created competing and conflicting pressures says Farrell She examines the complicated decisions made by the Ms staff as they negotiated the multiple frequently incompatible demands of advertisers readers and the various and changing constituencies of the feminist movement An engrossing and objective account Yours in Sisterhood illuminates the significant yet difficult connections between commercial culture and social movements It reveals a complex often contradictory magazine that was a major force in the contemporary feminist movement

Feminist Coalitions Stephanie Gilmore, 2008 A fresh new look at the productive partnerships forged among second wave feminists

The Secret History of Wonder Woman Jill Lepore, 2015-07-07 NATIONAL BESTSELLER Within the origin of one of the world s most iconic superheroes hides a fascinating family story and a crucial history of feminism in the twentieth century Everything you might want in a page turner skeletons in the closet a believe it or not weirdness in its biographical details and something else that secretly powers even the most serious feminist history fun Entertainment Weekly The Secret History of Wonder Woman is a tour de force of intellectual and cultural history Wonder Woman Jill Lepore argues is the missing link in the history of the struggle for women s rights a chain of events that begins with the women s suffrage campaigns of the early 1900s and ends with the troubled place of feminism a century later Lepore a Harvard historian and New Yorker staff writer has uncovered an astonishing trove of documents including the never before seen private papers of Wonder Woman s creator William Moulton Marston The Marston family story is a tale of drama intrigue and irony In the 1920s Marston and his wife brought into their home Olive Byrne the niece of Margaret Sanger one of the most influential feminists of the twentieth century Even while celebrating conventional family life in a regular column that Marston and Byrne wrote for Family Circle they themselves pursued lives of extraordinary nonconformity Marston internationally known as an expert on truth he invented the lie detector test lived a life of secrets only to spill them on the pages of Wonder Woman Includes a new afterword with fresh revelations based on never before seen letters and photographs from the Marston family s papers and 161 illustrations and 16 pages in full color

From Sit-Ins to #revolutions Olivia Guntarik, Victoria Grieve-Williams, 2020-01-23 From Sit Ins to

revolutions examines the evolution and growth of digital activism while at once outlining how scholars theorize and conceptualize the field through new methodologies As it closely examines the role that social and digital media play in enabling protests this volume probes the interplay between historical and contemporary protests emancipation and empowerment and online and offline protest activities Drawn from academic and activist communities the contributors look beyond often studied mass action events in the USA UK and Australia to also incorporate perspectives from overlooked regions such as Aboriginal Australia Thailand Mexico India Jamaica and Black America From illustrating the allure of political action to a closer look at how digital activists use new technologies to push toward reform From Sit Ins to revolutions promises to shed new light on key questions within activism from campaign organization and leadership to messaging and direct action

Yours in Sisterhood Amy Erdman Farrell,1998 The author traces the history of Ms from its pathbreaking origins in 1972 to its final commercial issue in 1989 Drawing on interviews with former editors archival materials and the text of Ms itself Farrell examines the magazine s efforts to forge an oppositional politics within the context of the commercial culture 17 illustrations

Roe V. Wade N. E. H. Hull,Peter Charles Hoffer,2010 This up to date history of Roe v Wade covers the complete social and legal context of the case that remains the touchstone for America s culture wars

Modern American Lives Blaine T. Browne,2015-05-18 The individuals presented in these narrative biographies significantly and sometimes decisively impacted contemporary American life in a wide range of areas including national politics foreign policy social and political activism popular and literary culture sports and business The combined biographical thematic approach is designed to serve two purposes to present more substantive biographical information and to offer a fuller examination of key events and issues The book is an ideal supplement for undergraduate courses on The United States Since 1945 as well as for courses on Modern America and 20th Century America

Imagined Sisterhood Sandra Reineke,2004 This dissertation examines a selection of postwar women s writing to investigate how women reacted to persisting political and social inequalities after they acquired full active citizenship in 1944 In particular this study is concerned with one of the most striking examples of continued repressive state laws that is abortion laws which denied women the right to control their own bodies a right included in the liberal republican ideal of citizenship To this end the study analyses three types of political writing high feminist literature mass cultural texts and feminist reviews to show how women s writing creates a politically potent community for women which I have called imagined sisterhood My main point throughout the study is that this alternative social space represents and promotes women s collective political agency despite women s continued political marginalization in postwar French public culture Through analysis of the symbolic representations of women and their bodies in these texts I show how personal experiences of the body related to sexuality and reproduction are central to postwar women s activism In fact women s corporeality represents something very unique and historically specific to postwar gender politics I argue thus that women s political activism or the politics of sisterhood constitute an historically unique

expression of French feminism as women demanded for the first time equal rights based on their corporeal difference from men Exemplified is this effort in the struggle for reproductive freedom in which women collectively challenged the French state to abandon its laws criminalizing abortion and to recognize women s rights It is in this way that an analysis of the politics of sisterhood contributes to our understanding of women s political activism an issue so far undertheorized in the field of democratic theory NWSA Journal ,2001 **The Politics of African-American Women's Beauty in Ebony Magazine** Monika N. Gosin,2004 **In Our Times** Norman L. Rosenberg,Emily S. Rosenberg,2003 For courses in U S or American History Since 1945 More concise livelier and broader in coverage than other similar texts this popular overview of American life since 1945 offers a clearly written authoritative interpretive narrative that pays special attention to major trends in foreign policy mass culture social history gender politics civil rights economics and political culture Organized both chronologically and topically it provides balanced insights and demonstrates the ways in which different kinds of history blend together and also provides a broad view of politics **Encyclopedia of American Cultural & Intellectual History** Mary Kupiec Cayton,Peter W. Williams,2001 Presents cross referenced essays along with sidebars and illustrations that chronicle and examine the evolution of American thought and expression Topic areas include eras from the 1940s through the 1990s cultural groups geography and cultural centers nature human nature and the supernatural and the political order Forthcoming Books Rose Arny,1998-04 **Inventing the American Woman: Since 1877** Glenda Riley,2001 In two volumes this third edition features expanded coverage of women in the military women s healthcare divorce and women of colour especially Spanish speaking American Indian African American and Asian American It also reviews important people events and concepts Contents Since 1977 re ordering women s sphere the Gilded Age and progressive era 1878 1914 the new woman World War I and after 1914 1929 making do and pitching in The Depression and World War II The Feminine Mystique and beyond 1945 1965 contemporary American women 1965 to the present conclusion looking towards the future **The Publishers Weekly** ,1998 *The British National Bibliography* Arthur James Wells,2000 Feminist Studies ,1999 **Books in Print Supplement** ,2002 **Journal of Women's History** ,2000 Feminist Periodicals ,2001
