Thucydides War Narrative A Structural Study:

Thucydides' War Narrative Carolyn Dewald, 2005 Carolyn Dewald presents an in depth study of the changing narrative principles in Thucydides History of the Peloponnesian War rigorously analysing how the various elements are structured used and related to each other

Thucydides' War Narrative Carolyn Dewald, 2006-02-12 As a sustained analysis of the connections between narrative structure and meaning in the History of the Peloponnesian War Carolyn Dewald's study revolves around a curious aspect of Thucydides work the first ten years of the war's history are formed on principles quite different from those shaping the years that follow Although aspects of this change in style have been recognized in previous scholarship Dewald has rigorously analyzed how its various elements are structured used and related to each other Her study argues that these changes in style and organization reflect how Thucydides own understanding of the war changed over time Throughout however the History's narrative structure bears witness to Thucydides dialogic efforts to depict the complexities of rational choice and behavior on the part of the war's combatants as well as his own authorial interest in accuracy of representation In her introduction and conclusion Dewald explores some ways in which details of style and narrative structure are central to the larger theoretical issue of history's ability to meaningfully represent the past She also surveys changes in historiography in the past quarter century and considers how Thucydidean scholarship has reflected and responded to larger cultural trends

The Historical Present in Thucydides: Semantics and Narrative Function Jean Lallot, Albert Rijksbaron, Bernard Jacquinod, Michel Buijs, 2011-03-21 After Etudes sur l'aspect verbal chez Platon Saint Etienne 2000 the international Groupe de recherche sur l'aspect verbal en grec now presents a second volume on verbal aspect in Ancient Greek which is devoted to the function's of the Historical Present in Thucydides In nine chapters the authors approach this subject from a variety of angles focusing inter alia on the HP of particular verbs and on its use in battle narratives or investigate Thucydides use of the HP from a comparative perspective They share one important assumption viz that the primary function of the HP is to mark events that were according to Thucydides of decisive importance for the development of the Peloponnesian War By its rich and detailed analyses the book provides important new insights into Thucydides narrative technique

Making Time for the Past Katherine Clarke, 2008-03-20 This book has two main and connected themes the conception and articulation of time in the Greek world and the creation of history especially in the context of the Greek city Both how time is expressed and how the past is presented have often been seen as reflections of society By looking at the construction of the past through the medium of local historiography where we can view these issues in the relatively restricted world of individual city states we can gain a clearer insight into how different versions of the past and different constructions of time were offered to the community for approval In this way the citizens were able to negotiate time past and indeed their own history and thereby to express their values and aspirations

The Plague of War Jennifer Tolbert Roberts, 2017 A major new history of the violent protracted conflict between ancient Athens and Sparta

Thucydides, Pericles, and Periclean Imperialism Edith Foster, 2010-05-31 Edith Foster compares Thucydides narrative explanations and descriptions of the Peloponnesian War in Books One and Two of the History with the arguments about warfare and war materials offered by the Athenian statesman Pericles in those same books In Thucydides narrative presentations she argues the aggressive deployment of armed force is frequently unproductive or counterproductive and even the threat to use armed force against others causes consequences that can be impossible for the aggressor to predict or contain By contrast Pericles speeches demonstrate that he shared with many other figures in the History a mistaken confidence in the power glory and reliability of warfare and the instruments of force Foster argues that Pericles does not speak for Thucydides and that Thucydides should not be associated with Pericles intransigent imperialism *The Oxford History of Historical Writing* Daniel R. Woolf, Andrew Feldherr, Grant Hardy, 2011-02-17 A chronological scholarly survey of the history of historical writing in five volumes Each volume covers a particular period of time from the beginning of writing to the present day and from all over the world [A Handbook to the Reception of Thucydides](#) Christine Lee, 2015-01-20 A Handbook to the Reception of Thucydides offers an invaluable guide to the reception of Thucydides with a strong emphasis on comparing and contrasting different traditions of reading and interpretation Presents an in depth comprehensive overview of the reception of the Greek historian Thucydides Features personal reflections by eminent scholars on the significance and perennial importance of Thucydides work Features an internationally renowned cast of contributors including established academics as well as new voices in the field *Encounters with the Plague in Homer, Sophocles, and Thucydides* Pantelis Michelakis, 2025-11-13 Encounters with the Plague in Homer Sophocles and Thucydides explores three of the earliest and most influential accounts of plague visitations in Western literature Homer's Iliad book 1 1 487 Sophocles Oedipus the King esp 1 215 and Thucydides History of the Peloponnesian War book 2 esp 47 3 54 The question at the core of this study is how a destructive force within narrative becomes a creative force for narrative itself both in terms of the formation of narrative and in narrative's encounter with its readers and spectators as the hosts that will ensure its dissemination and its survival through time The three accounts of plague visitations under discussion matter as examples of a particular type of narrative event associated with crisis In all three of them the plague spreads through seemingly disparate but closely interconnected social material and technical networks different linguistic domains structures of narrative space and time routes of knowledge and affect and biological and socio political bodies Thematically the plague is a disruptive force that breaks down distinctions between and across such networks At the same time however it is also a generative force that shows the capacity of narrative to expose the heterogeneous parts of such networks and the complex interconnections within and between them By emphasizing the disruptive invasive force of such narratives with their power to spread like epidemic disease this book offers a way of thinking through the anxieties generated by exposure to technical and artistic skill [Myth, Truth, and Narrative in Herodotus](#) Emily Baragwanath, Mathieu de Bakker, 2012-09-06 Herodotus the Father of History is infamously

known for having employed elements more akin to mythological tales than to unvarnished truth in translating his historical research into narrative form. While these narratives provide valuable source material, he could not have surmised the hostile reception his work would receive in later generations. This mythical aspect of the *Histories* led many successors, most notoriously Plutarch, to blame Herodotus for spinning far-fetched lies and to set him apart as an untrustworthy historian. Echoes of the same criticism resounded in twentieth-century scholarship, which found it difficult to reconcile Herodotus' ambition to write historical stories as they really happened with the choices he made in shaping their form. This volume brings together 13 original articles written by specialists in the fields of ancient Greek literature and history. Each article seeks to review, re-establish and rehabilitate the origins, forms and functions of the *Histories'* mythological elements. These contributions throw new light on Herodotus' talents as a narrator, underline his versatility in shaping his work and reveal how he was inspired by and constantly engaged with his intellectual milieu. The Herodotus who emerges is a Herculean figure, dealing with a vast quantity of material, struggling with it as with the Hydra's many growing heads, and ultimately rising with consummate skill to the organisational and presentational challenges it posed. The volume ultimately concludes that far from being unrelated to the historical aspects of Herodotus' text, the mythic elements prove vital to his presentation of history.

Thucydides War Narrative A Structural Study Introduction

In today's digital age, the availability of Thucydides War Narrative A Structural Study books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Thucydides War Narrative A Structural Study books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Thucydides War Narrative A Structural Study books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Thucydides War Narrative A Structural Study versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Thucydides War Narrative A Structural Study books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Thucydides War Narrative A Structural Study books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Thucydides War Narrative A Structural Study books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Thucydides War Narrative A Structural Study books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
