Directions: Read each document and answer each document based question – use complete sentences! Once all questions have been answered, respond to the focus question, using the documents as evidence.

Focus Question: Was the Treaty of Versailles a good settlement to ensure the peace and help Europe recover after the Great War?

Document 1

Selected points from Woodrow Wilson's Fourteen Points (Jan., 1918)

- 1) Open covenants of peace, openly arrived at, after which there shall be no private international understandings of any kind but diplomacy shall proceed always frankly and in the public view
- 3) The removal, so far possible, of all economic barriers....
- 6) The evacuation of all Russian territory and such a settlement of all questions affecting Russia as will secure the best and freest cooperation of the other nations of the world in obtaining for her an unhindered and unembarrassed opportunity for the independent determination of her own political development and national policy and assure her of a sincere welcome into the society of free nations under institutions of her own choosing; and more than a welcome, assistance also of every kind that she may need and may herself desire.

Document 1 Questions:

1. How did President Wilson hope to support Russia?
2. Do you think Wilson's ideas would help preserve the peace and make Europe a better place? Why or why not?

Document 2

excerpt from speech by Woodrow Wilson to Congress Feb. 11, 1919

National aspirations must be respected; people may now be dominated and governed only by their own consent. "Self determination" is not a mere phrase. It is an imperative principle of action, which statesmen will henceforth ignore at their peril. This war had its roots in the disregard of the rights of small nations and of nationalities which lacked the union and the force to make good their claim to determine their own allegiances and their own forms of political life. Covenants (Agreements) must now be entered into which will render such things impossible for the future; and those covenants must be backed by the united force of all nations that love justice and are willing to maintain it at any cost...

Document 2 Questions:

1. How would this idea of Wilson benefit the minority populations (Slavs, Poles, Serbs, etc.) existing within European countries?

Document 3

Source: John Maynard Keynes, The Economic Consequences of Peace, 1920

The Treaty includes no provision for the economic rehabilitation of Europe - nothing to make the defeated Central Powers into good neighbors, nothing to stabilize the new States of Europe, nothing to reclaim Russia; nor does it promote in any way a compact of economic solidarity amongst the Allies themselves; no arrangement was reached at Paris for restoring the disordered finances of France and Italy, or to adjust the systems of the Old World and the New.

Document 3 Question:

1. What economic problems were not solved with the Versailles Treaty?
