Trey's Fast Cleaning Service Practice Set (Business Papers, Journals and Ledgers, Narrative of Transactions) and General File for Practice Set Cengage South-Western, 2019-08-07 Life'S a Bitch Gary B. Boyd, 2017-10-18

Trey Managuas and Polly Anne Dodgems dreams were not the same but they were compatible. Trey was unemployed at the age of sixty, the victim of a factory closure. He was too young to retire and too old to attract an employer. His dream was to work until he was sixty-six and retire with a comfortable nest egg for his golden years. Polly Anne was an innovator and entrepreneur. After years of research, she had finally developed a process by which she could regenerate usable cotton fiber from textile scraps. By regenerating the fiber from scraps, her black box process would easily reduce the use of landfill space used for untold tons of textile waste. More importantly, her use of regenerated fiber would reduce the number of acres of land required to grow cotton, which in turn would reduce the volume of chemicals and amount of water used to make that cotton grow. Her dream was to make a difference in people's lives. She only needed a manufacturing facility and skilled workers to commercialize her process. Treys recently shuttered nonwovens factory offered the opportunity for Polly Anne to engage in manufacturing products using her regenerated cotton fiber. It was a match made in heaven. Praise the Lord.

Ruthless Monster Scott Buda, 2011-01-14

Trey Masterson will be the first to admit that he leads a privileged and envious lifestyle. He is married to the woman of his dreams. He travels the world. He is a highly successful junior partner for the well-respected Chicago law firm Masterson Schmidt Associates. Unfortunately, when Trey nonchalantly suggests that his wife call a serviceman to perform a tedious household repair, perfection quickly turns to devastation. Frankie Barlowinski comes highly recommended for his craftsmanship and pleasant demeanor as a plumber. However, unbeknownst to his customers, lurking behind the friendly smile is a twisted and sinister soul that is often difficult to restrain. Frankie has served time for his past transgressions, but this time is going to be different. There is a new set of rules in play. Trey is about to enter the gates of hell in an attempt to wrestle the life he once cherished back from the grips of a truly ruthless monster.

As she prowls the mean streets looking for architectural treasures, she can't help swiping an ancient Greek statue that's not exactly hers. Then the statue's owner, heir to a billion-dollar steel fortune, gets himself killed, and the police investigation sweeps Roxy into a mess that requires all of her wits and wiles to escape.
