Any irregularity in the reporting will result in the USER being charged a fee of \$50.00 for the City to read the meter. Should the CITY not receive from the USER meter readings for two consecutive months, the CITY will pull the meter from service and invoice the USER for all outstanding charges deducting them from the USER's initial deposit and refunding any remaining monies.
5. CITY shall issue a monthly invoice reflecting water consumption and facility charges for the previous month. In the event the meter is returned at a time other than at the end of the month the water consumption and facility charges will be deducted from the good faith deposit, and a refund check, if appropriate, shall be issued.
