Couchman,2025-10-10 What does it mean to worship More often than not we understand worship to be something that we perform for God If that s the case then worship is ultimately a human action that flows from human effort How would our understanding of worship change though if we took as our starting point that Jesus is a fully human and fully divine worshiper Does it then mean that God is worshipping In responding to these questions Liturgia Dei suggests that worship is not primarily something we do for God but something God is eternally performing Worship is the eternal glorification of God that extends from and returns to the eternal relations of Father Son and Mother Spirit The church joins in this worship to through and with Jesus Christ Hearing and Doing the Word Daniel J.
