Wesleyan Eucharistic Spirituality

Wesleyan Eucharistic Spirituality Atf Dissertation Atf Dissertation

Wesley Tracy

Wesleyan Eucharistic Spirituality Atf Dissertation Atf Dissertation:

Wesleyan Eucharistic Spirituality Lorna Lock-Nah Khoo, 2005 The central thesis of the book is that there is a distinctive Wesleyan eucharistic spirituality Looking at Wesley's eucharistic practices theology and sources the writer identifies a spirituality that has a number of key themes These revolve around the dynamic encounter with a personal Christ the grace filled life the therapeutic growth towards holiness and wholeness They provide a way of looking at life and the formation of characters which may conform to the image of the Christ While there were several reasons for the decline of Wesleyan eucharistic spirituality after the death of the Wesleys the writer maintains that this spirituality can be rediscovered revived and communicated in new forms so as to impact Methodists around the world who are facing the challenges of the 21st century The author is a pastor in a Methodist Church in Singapore *The Limits of a Catholic Spirit* Kelly Diehl Yates, 2023-06-29 The Limits of a Catholic Spirit presents an extraordinary in depth study of John Wesley's relationship with Catholicism examining the limits to which Wesley as an evangelical Protestant practiced his ideal of a Catholic spirit Through the use of rare primary sources from the National Archives Kelly Diehl Yates provides a refreshing investigation of Wesley's interaction and strained relationship with Catholicism taking the path less trodden in studies of his theology While revisionist scholars argue that Wesley proposed principles of religious tolerance in his sermon Catholic Spirit Yates argues that he did not expect unity between Protestants and Catholics remaining wedded to anti Catholic beliefs himself By paying attention to this previously unfilled gap in Wesley studies Yates exemplary historical and critical study tackles questions which have beset Wesley scholars for decades including Wesley's relationship with the Jesuits Jacobitism the anti Catholic Gordon Riots of 1780 and his time in Ireland Grounded in historical case studies Yates explores these questions from a fresh perspective providing answers to these questions and more Anticipating Heaven Below Henry H. Knight III, 2014-02-01 Wesleyanism is a movement of hope Wesleyans and their Holiness and Pentecostal offspring pray and work with the expectancy that the love and power of God will transform hearts and lives renew the church and bring compassion healing and justice to a suffering world In a variety of ways from holiness of heart and life to bodily healing to the abolition of slavery they anticipated the life of the coming kingdom of heaven to already be breaking into the present through the power of the Holy Spirit Anticipating Heaven Below explores their optimism of grace examining its pitfalls as well as its promise Henry H Knight seeks to enable and inspire present generations within Wesleyan Holiness and Pentecostal movements to proclaim with confidence the promise of heaven below and to do so with passion and integrity Embodying Wesley's Catholic Spirit Daniel Castelo, 2017-03-16 To what degree is Wesleyan theology part of the church's catholic witness This book explores this question from a number of angles and goes on to embody some of these possibilities in conversation with other major traditions and figures within the Christian church Overall the volume shows that Wesleyan theology does draw from and can contribute to conversations related to the catholic Christian witness *The Holy Spirit and Worship* Elizabeth

Welch,2022-06-30 The Holy Spirit has become an object of greater attention in Trinitarian theology and indeed in the broader life of the Church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have had different impacts on worship here Elizabeth Welch examines four surprising overlaps in the thought of two radically different traditions of the church about the relationship between the Holy Spirit and worship These traditions are represented by John Owen from seventeenth century England and John Zizioulas from contemporary Greece Welch explores in turn the common themes of the personal and relational nature of the triune God the immediacy of the encounter with God through the Holy Spirit in worship the role of the Holy Spirit in leading people into truth and the transformative nature of worship that draws people into sharing God s purpose for the world In each the insights of Owen and Zizioulas shed new light on the ongoing debate in the Church today **Wesleyan Eucharistic Spirituality** Lorna Lock-Nah Khoo,2002 **A Wesleyan Theology of the Eucharist** Jason E. Vickers,2016-10-14 Discover the power and grace of the Eucharist [Something Happens Here](#) Stephen Pierce West,2019 **The Continuing Relevance of Wesleyan Theology** Nathan Crawford,2011-06-01 What does the Wesleyan message have to say to the greater theological world This is a question that Laurence Wood has taken up as his concern throughout his career In order to honor his work this collection takes up this question through a series of essays designed to show how Wesleyan Theology while distinctive has a continued relevance to the wider world of theological scholarship This collection does this in two ways First by showing how the Wesleyan distinctives have been present throughout the history of theology And secondly the collection brings the Wesleyan distinctives into conversation with various contemporary theological conversations ranging from theological hermeneutics and the science religion dialogue to the practice of preaching and spirituality The result is a volume that puts Wesleyan theology into continued dialogue with the broader theological world showing its vitality and importance for the contemporary situation **Shaping the Journey** Daniel Ethan Harris,2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement Shaping the Journey brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation **Outward Sign and Inward Grace** Rob L. Staples,1991 A scholarly exploration of Wesleyan theology and the sacraments *Wesleyan Eucharistic Spirituality* Lorna Lock-Nah Khoo,Open University,2002 **The Quest for Love Divine** Paul W Chilcote,2024-04-25 John Wesley s impact on Methodist theology and practice is well established but there are many other

early figures who shaped Methodism just as thoroughly Quest for Love Divine explores the contributions of Charles Wesley by exploring the impact of his lyrics on methodist worship and the importance of lyrical theology in the founding of Methodism Chilcote also examines the contributions of early Methodist women such as Dorothy Fisher Mary Taft and Sarah Crosby exploring how the Wesley brothers and their community sought to inhabit faith working by love leading to holiness of heart and life In his collection of essays Chilcote explores the salient themes of Wesleyan theology and practice and reflects on its legacy in the Wesley s time and in ours By focussing on the nature of their discipleship and the centrality of love divine Chilcote brings Wesleyan theology into sharp and practical focus The Path of Holiness Joseph Cunningham, David Rainey, 2014-09-05 This book is a collection of essays on perspectives in Wesleyan theology in honor of Professor Herbert B McConigle *Wesleyan Studies in Religion*. 1961 West Virginia Wesleyan College, Buckhannon, W. Va, 1961 *Practical Divinity: Theology in the Wesleyan tradition* Thomas A. Langford, 1998 Langford traces the growth of Wesleyan thought from Britain to North America and to other continents and views it against the background of general historical and institutional developments *Grace and Responsibility* John B. Cobb, 1995 This first effort at constructive Wesleyan theology to appear in United Methodist circles since the formation of the denomination in 1868 draws on the historical and literary work that has characterized Wesley studies in recent years However it moves beyond them to propose a way of reconstructing essential elements of Wesley s thought in service of the life and mission of United Methodists today **The Christian Way** Maxie D. Dunnam, 1987 **Participation in Christ and Eucharistic Formation** Mary Patton Baker, 2015 This wonderful book proposes a theological model for understanding Eucharistic celebration that demonstrates its centrality to the Christian believer s sanctification and spiritual formation It centres on John Calvin s framework for understanding the Lord s Supper which was founded upon the believer s union with Christ along with the belief that the Lord s Supper deepened that union By bringing Calvin s Eucharistic theology into conversation with contemporary speech act philosophy Kevin Vanhoozer s divine communicative ontology Biblical theology and historical and liturgical theology this multidisciplinary dissertation provides a biblical and theological foundation for understanding the role the Eucharist plays in the worship sanctification and formation of the church and her communicants The Wesleyan Way to Spiritual Formation Wesley Tracy, 1987

Whispering the Secrets of Language: An Emotional Journey through **Wesleyan Eucharistic Spirituality Atf Dissertation Atf Dissertation**

In a digitally-driven world wherever displays reign supreme and instant transmission drowns out the subtleties of language, the profound techniques and emotional nuances concealed within words usually move unheard. Yet, nestled within the pages of **Wesleyan Eucharistic Spirituality Atf Dissertation Atf Dissertation** a charming fictional prize sporting with raw feelings, lies an exceptional journey waiting to be undertaken. Penned by an experienced wordsmith, this marvelous opus invites visitors on an introspective trip, softly unraveling the veiled truths and profound affect resonating within the very fabric of every word. Within the psychological depths with this emotional review, we will embark upon a sincere exploration of the book is primary styles, dissect its charming publishing fashion, and yield to the effective resonance it evokes deep within the recesses of readers hearts.
